

The Sun represents the central theme
of your incarnation.

It is the Hero's Journey—where your
greatest challenges become your greatest gifts.

Personality Sun

The Light You Share

This is the energy you consciously identify with. It reflects your purpose, your natural gifts, and the qualities you intentionally express. It's the light you know you're here to shine.

The Light You Carry

This is your unconscious life force. It represents the energy your body naturally carries and the gifts that emerge effortlessly—even when you don't recognise them yourself. Others often experience this part of you before you do.
