In addition, classical philosophical questions preserve the independence of each work. He doesn't make the assumption that the student has previously read the material when he presents questions of knowledge, metaphysics, ethics, etc. - thus allowing you to organize order topics for your course needs. CLASSIC AND CONTEMPORARY PRIMARY SOURCE READINGS Classical philosophical questions offer a comprehensive, first-hand experience of all the major fundamental industries of philosophy, as opposed to volumes dealing with specialized topics. It provides a comprehensive introduction to philosophy without requiring separate, specialized volumes. (e.g. page 42) PERSONAL LEARNING MySearchLab provides proven results to help individual students succeed. It provides an attractive experience that personalizes, stimulates and measures learning for each student. And, this comes from a trusted partner with educational experience and a deep commitment to help students, faculty and departments achieve their goals. Pearson eText allows students to access their textbook anytime and anywhere they want. Individual training plan each student helps them succeed in the course and beyond. Assessment tied to each The app and chapter allows both teachers and students to track progress and receive immediate feedback, and helps teachers find the best resources to help students. Ebsco's ContentSelect - With Ebsco's ContentSelect, students receive 24-hour access to abstracts and full-face articles from thousands of scientific and popular periodicals, including Newsweek, National Review and USA Today's Magazine - all grouped and organized by subject area. Study Tutorial - When students click on the research button in MySearchLab, they get a step-by-step tutorial for the entire research process, including understanding the assignment, finding a topic, creating effective notes on how to shape the paradigm, understanding and searching for source materials, etc. IMPROVE THINKING CRITICAL Philosophical issues are dealt with in a fundamentally open manner, offering at least two parts on most issues representing different views. This treatment provides students with different ways of thinking about the same problem. (e.g. page 195) Classical philosophical questions is the only text on the market that starts with a question in each section that allows students to write their answers to questions before reading further. (e.g. page 64) Unique questions and quotes Think About provide material for vigorous debates or written assignments that promote new ways of thinking on different topics. Each reading contains a biographical sketch of the author, as well as a group of further readings for a student wishing to pursue his philosophical questions in more detail. (e.g. page 86) ENGAGEMENT STUDENTS All selections within the framework of classical philosophical questions are taken from ancient, modern and modern primary subjects with introduction and educational guides, making it easier to read for the beginning student. (e.g. page 48) Explanatory introductions accompany each section within the framework of classic philosophical questions, directing students to what is important and central to each section. The glossary of terms at the end of Classical Philosophical Matters defines unfamiliar terms for students. (ex. p. 529) Studying questions for each choice within the framework of classic philosophical questions allows students to immediately consider their understanding of key arguments. (e.g. page 196) SUPPORT INSTRUCTORS Classical philosophical questions preserve the independence of each work. He doesn't make the assumption that the student has previously read the material when he presents questions of knowledge, metaphysics, ethics, etc. - thus allowing you to organize order topics for your course needs. PowerPoint Presentation Slides for Classical Philosophical Matters, 14/e (0205096824): These PowerPoint slides will help you convey philosophical principles in a clear and engaging way. For access, they are available in the instructor section of MySearchLab for classic philosophical questions, questions, Or in www.pearsonhighered.com/irc. Found in this section:1. Review of the changes2. Chapter by Chapter 1 change. Review of the changes CLASSIC AND CONTEMPORARY PROMARY SOURCE READINGS Additional pages from Fedo Plato, the development of socratic psychological and moral profile in his attitude to his most fundamental philosophical positions. (e.g. page 36) Reading about the problem of evil, taken from the consolation of Boethius philosophy, is considered by many to be the first formal theodicy or an argument for God's justice. (e.g. page 64) A brief reading by John Dewey, emphasizing the necessary employment of philosophical discourse in maintaining educational and political growth.
