He only looks like an ordinary teenager, in fact he - a real walking disaster. He has no equal in bringing trouble to his head, and this particularity is well known in the district. To be friends with him is a dangerous enough occupation, because the hour is uneven, can fall a brick on the spot where he just stood, although there seems to be nowhere to fall bricks. Or a flood, an earthquake and other joys may begin. But it is fair to say that together with all this Milo is still alive, which can not but please. In addition, he always finishes off in the worst case with small abrasions, and then shows everyone his new scar. How does it remain intact amidst the devastation that follows it at a distance of one step? Obviously, he knows a secret... Milo has long been accustomed to the fact that fellow students try to stay away from him, so, just in case. But at the very beginning of the animated series among classmates will be a new, and he will venture to make friends with someone who in his hometown nicknamed the Rider of the Apocalypse.
