# Voice demos

## Why record a voice demo?

Your voice demo is equally important as your casting photo! It is your tool to promote your skills to different casting companies. A demo directed by an experienced director and recorded in a professional studio is the best publicity you can have for future employers. It is the audio examples that will be sent to the clients by casting companies.

### Your demo includes :

- 4 audio clips depending in the selected package
- Selected texts according to your professional goals and vocal casting
- Artistic direction by a commercial voice over, video game or narration professional
  - Editing, mixing, sound design and music
  - MP3 files delivered in 2 to 3 weeks

### Voice demos packages :

Commercial voice over : 3 advertising and 1 narration

Video game : 1 dialogue, 2 monologues et 1 narration

Narration : 2 documentaries et 2 audiobook extracts

Personalized demo : 4 audio clips of your choice (*contact us for price and informations*)

*The demos includes only the audio files. No video file will be delivered.*
