# GENERAL MEMETICS NEWSLETTER

## October 2021

Dear Friend,

We are receiving tons of discoveries these past few weeks!

- We discovered that: the path of becoming a Bridge to next culture - archarchy - is growing clearer and clearer. 'Becoming a bridge' means shifting to an economy of nonmaterial value exchange (Valex). For example, by going through your own [Emotional Healing Processes](#) (EHP) and simultaneously training yourself to hold space for Emotional Healing Processes for others in [EHP Dojos](#), you build up practical nonmaterial Value for bridging others to archarchy. <https://becomeabridge.mystrikingly.com/#one-possible-bridge>
- We discovered that: while Anger has become all the new rage (pun intended) - Fear remains one of your immensely ignored inner resources, indispensable for your professional and personal life. We declared that October is 'OktoberFear'

links to join our WorkTalks on the [Fear Club](#) website.

- We are discovering during our 12-week online [Gameworld Incubator](#) that: “*The best way to turn up the hot water is to turn down the cold water!*” What this means is that by removing Energetic Blocks, making new decisions, completing incomplete emotions, and helping each other through multiple Emotional Healing Processes, the Inner Resources for [Building our Gameworlds](#) are already there. They power on as soon as the inner resistance and diversions are healed! Then you have the energy to take Radical Responsibility for inventing the [Gameworld Traditions](#) your heart knows is possible.
- We discovered that: as the structure of Possibility Management was been built for the past 20 years, [Possibilitators](#) from all over the world are inhabiting the new territories:

- [Christine Duerschner](#) is taking a stand for the Possibilitator Specialty of Possibility Coaching. She will be delivering the first Possibility Coaching Training starting in December this year. More info: <https://possibilitycoachingtraining.mystrkingly.com/>

- [Ana Norambuena](#), [Vera Franco](#) and [Sophia-Magdalena Hofmann](#) are taking a stand for the Possibilitator Specialty of Adult Ego State Decontaminator. They are training the next generation of Decontamination Coaches by sharing their research in the first Decontamination Training starting in November this year:

- [Anne-Chloé Destremau](#) is taking a stand for the Possibilitator Specialty of Rage Club Spaceholder. - Ann Elizabeth Hopson is taking a stand for the Possibilitator Specialty of Emotional Healing Process Dojo, [EHP Dojo](#), and is collaborating with [Christine Ploschenz](#) and [Nicole Bradford](#) holding space for the EHP Group (on Telegram). Join here: [t.me/joinchat/WC5Px3vhJLpGU-Cz](https://t.me/joinchat/WC5Px3vhJLpGU-Cz)

- [Clinton Callahan](#) is taking a stand for the Possibilitator Specialty of [Possibility Mage](#), and along with Anne-Chloé Destremau is delivering an 8-week online Mage Training starting in January 2022. <http://magetraining.mystrkingly.com>.

- We discovered that we have more discovery than can fit into this newsletter, so for now we hope you are also in a creation frenzy and having the time of your life!

## [The Unknown \(and unused\) Powers of Fear](#)

**WORKTALK with [Anne-Chloé](#): Monday 25 Oct @6-8pm GMT+2, 10-15 Euros**

Here is an exploration about what might happen if you change your mind about Fear and learn to apply the unknown (and until now unused) powers of Fear that you are designed to have access to. Fear sources your creation power, your relationship clarity, and your project inspiration. During this work-talk you will discover an aliveness that emerges from consciously feeling your own Fear and putting it to valuable use each time.

Suddenly, you are navigating Fear instead of being afraid of it. Life can be amazing!
