# GENERAL MEMETICS NEWSLETTER

## September 2021

Dear Friend,

As the Speculative Fiction writer [David Gerrold](#) says, “*True genius can be identified by the fact that its expression changes the world into something it has never been before.*”

We suspect that you are a genius. Think about what David said for a moment. If you are the comet streaking through life leaving behind a transformed world... who do you go to lunch with?

What has it been like for you all these years?

We have been studying energetic [Doorways](#). A Doorway is a [Gap](#) that can open up in the side of any space / worldview / belief system you are in. If you see the Doorway... if you are close enough to the Doorway... if you step through the Doorway... that next space you enter can provide you with entirely different possibilities.

What you encounter on the other side of that Doorway may be what you have always wanted. But...if you are the only one you know who went through that particular Doorway, where does that leave you? It leaves you in the company of an entirely new set of people who are not yet your friends.

In our work at General Memetics, writing [articles](#) and [books](#), building [websites](#) for the [StartOver.xyz](#) game, delivering [Emotional Healing Processes](#), [Rage Clubs](#), the upcoming [Gameworld Incubator](#), [Rage Club Spaceholder Training](#), [Fear Club Spaceholder Training](#), and so on... this Doorway phenomenon is almost a daily experience. Rapid Evolution has its side effects. We are glad you are our friends.

One side effect of rapid evolution is getting more interesting jobs on our bench than we know what to do with. We would like to offer you some of them. If you want to commit to any of these opportunities to work with us on our projects listed below, please write back.

Seasons change. So do you. Are you ready to help us with any of these?

## Gaian Road Team Interview

<https://gaianroadteam.mystrikingly.com/>

As the Gaian Road Team tuned in and listened to instructions from Gaia, each impulse led us to make inexplicably coincidental meetings with the [Edgeworkers](#), Social Alchemists, [Riftwalkers](#), [Bridge Builders](#), and [Possibilitators](#) who are inventing and inhabiting next culture - [Archearchy](#). These remarkable beings commit to themselves as much as to the novel outcomes they are creating. They trust discoveries from

We are so happy to share these intimate conversations with so many radiant Beings in our Gaian Road Team Interviews from around the world.

## Upcoming Events...

### [Gameworld Building Incubator](#)

12 weeks, Sept. 23 - Dec. 9 from 8-10.30pm CEST,

360-650Euros, with [Clinton](#) & [Anne-Chloé](#)

Next Culture is being created by [Edgeworkers](#), those courageous people building [Gaian Gameworlds](#). Each person has a piece of the puzzle.

Your job is to build and inhabit the cultural territory that has never been occupied before and yet turns you on. If you build it, others will come. If you do not build it, they have no chance. [Gameworld Building](#) can be the greatest joy, yet not knowing the practicalities of doing it well can be very painful. Together we will empower each other to succeed.

Info & Registration with [Anne-Chloé](#).

### [Fear Club Spaceholder Training](#)

Sept. 27 - Oct. 18: 4 Mondays from 6-8.30pm GMT+2,

120-200 Euros, with [Vera](#) & [Anne-Chloé](#)

Fear Club is different from Rage Club. It requires distinct spaceholding skills to:

- ongoingly invent Fear Club using your Fear as a a force of invention;
- demonstrate how to use a space full of information- and impulse-rich Fear as a map for what is possible;
- coach your participants to navigate their own fear in daily life;
- access your Fear as a wizard/ress and sourcerer/ess;
- navigate your participants to fine tune their fear through clear [inner navigation](#).

Info & Registration with [Vera](#).

Nov. 8 - Dec. 13, 2021: 6 Mondays from 8.30-11pm

GMT+2, 180-240 Euros, with [Anne-Chloé](#)

My intention is to pass on to you what you need to deliver your own online Rage Clubs, such as:

- Setting context with clarity, power and lightness
- Rolling the energy from one exercise to the next
- Facing Gremlin resistance and attack
- Spontaneously creating exercises and experiments for the matrix of your participants
- Matching the exercises to the next steps of participants
- How to build a Team among the participants
- How to invite people into your Rage Club

Info & Registration with [Julia Neumann](#).

## [Mage Training](#)

8 weeks, Jan. 3 - Feb. 21, 2022 from 7-9.30pm

GMT+2, 250-350Euros, with [Clinton](#) & [Anne-Chloé](#)

The Space determines what is Possible. In one particular Space it is possible to create the Possibility that others in the Circle can create Possibility for you to create Spaces of even greater Clarity and Possibility.

This is a Mage Team Space. This is where we are going. Our intention is to take creative liberties to build up Noticing, Attention, Confrontation, and Communication skills to Originate, Hold, and Navigate Spaces. In particular, we aim at Spaces where Nonlinear and Unreasonable offers are more abundant and have less resistance and greater effectiveness for Healing and Transformation.
