

ZOMBIE S.W.A.T TRAINING

What time should we arrive?

Please arrive promptly, at the time stated on your booking confirmation. We do not allow late entry to the experience and no refunds can be given.

What weapons will I use during the experience?

Zombie SWAT Training includes use of airsoft weaponry. Blank fire guns may be used by the actors and weapons expert during the experience.

Can I film or take photographs during the experience?

No, we do not allow photography or filming during the immersive experience. There may be photo opportunities before or after the experience, but we cannot always guarantee this will be available.

Will I need to buy extra ammo?

No, there are no hidden fees in the experience. The ticket price covers everything you will need. All ammo needed for the experience is included.

How scary is it?

Zombie SWAT Training contains gore, big scares and plenty of blood! Some parts of the experience are carried out in pitch black darkness and there are moments you may be in small, confined spaces. But we aim to make the experience accessible to everyone and can accommodate different tolerance levels.

How physical is it?

Zombie SWAT Training can be quite physical with weapons training, as well as military style activities such as an assault course.

Contact us for any inquiries about accessibility and specific needs.

Can I pay/book on the day?

Zombie SWAT Training has limited availability. All bookings must be made and paid for in advance.

Are there any health risks to be aware of?

Our experiences are scary! We would suggest that our events aren't suitable for those that are pregnant or those with heart conditions.
