{Name of GOLF CLUB} is now Speedgolf-friendly!

FOR IMMEDIATE RELEASE

{City, State} - **{Name of Golf Club}** is picking up the pace! The course has recently joined Speedgolf USA's nationwide network of Speedgolf-friendly facilities. What is Speedgolf? It's a fun, faster, fitness-oriented version of the game that saves players money and time.

As a part of the network, **{Name of Golf Club}** has agreed to reserve a limited number of premium tee times each week to accommodate the growing interest in Speedgolf.

Whether it's running, jogging, or walking fast, Speedgolf tee times are offered at a reduced fee for the 'pleasure' of completing 9 holes in 30 to 45 minutes, or a full round in 60 to 90 minutes.

"Speedgolf has the potential to be a lucrative new revenue stream for courses. You can send 16 players out in 10 minutes! I can't think of an operator who wouldn't want to give it a try."
Chris May, Dir. of Revenue Mgmt. | American Golf Corp.

People of all ages, abilities, and fitness levels enjoy playing Speedgolf: "I love the challenge and how it frees up my time! I can play more rounds a year because of it!" - Gary Sobczak, 61
