Grandma: Chapter Two is the second chapter of a creepy adventure with a crazy grandmother in a locked house. This time to help grandma be sick in the head and dangerous grandfather. Together, they try to catch the main character, which will be controlled by the player. Traditionally, the user will have to move around the premises of dangerous buildings, where you will find clues and useful to promote items. In search of a way out of the situation gamers will have only five days, after which the maniacs of the duo will catch up with the main character and destroy him. DVloper Android 4.1 - Version: 1.1.5 \$0 Granny: Chapter Two (MOD, Monster Not Attack) - the second part of the popular horror quest, whose creators used a rather unusual mechanic. And so, in the sequel, you are again locked in the house, but unlike the background, this time your grandparents will hunt you, while the older man is not distinguished by excellent hearing, but it will be able to cripple you, but your grandmother will even hear a rustle. As it is not difficult to guess, your main task will be to get out of the house, trying not only not to catch the eye of the insidious couple, but also to remain silent. Updated at 1.1.5 a.m. Home GamesSource:Chapter Two USK: Age 16 Welcome to Grandma: Head Two.Granny and Grandpa keeps you locked in your house this time. To survive you have to try to get out of your house, but be careful and calm. Grandma hears things as usual. Grandpa doesn't hear very well, but he hits hard. If you drop something on the floor, Grandma will hear it when running. You can hide in cupboards or under beds. You've got five days. Be careful! added Nightmare ModeChanged Sewer Texture A Little Brighter Environment Fixed some minor bugs Horror games are not new in the field of mobile games. But the horror genre is usually more about zombies than other types of horror games. But because of the success of horror games such as five nights at Freddie and Slenderman, there are more horror games now. One of them is Grandma's Second Chapter. Grandma is one of the most successful horror games in the mobile industry in recent years. Because of this, DVloper, the developers created the second part of the game called Grandma Chapter Two. This game has over 10 million downloads currently in the Google Play Store. In this game you are locked in a cold and abandoned grandmother's house. You have to do your best to get out of the house. But it won't be easy as you need to avoid them at all costs! Read on to find out more! What is Grandma Chapter Two? Imagine being in an abandoned house that is scary in its own. But imagine waking up in a mysterious house and you don't remember how you got there. But you don't have time to sit back, you realize that you need to get out quickly! There are horrifying figures that want to keep you in the house, you have to avoid them in Costs! Grandma Head is the second popular horror game. In this, you need to get out of the haunted house. Collect all the materials you need to survive. But it's not easy, you have to stick to the guise of grandparents! You have to do everything you can to survive! Can? Read on to find out more. The features of Grandma's Chapter Two Grandma Chapter Two are not your typical horror game. This one is not riddled with zombies, instead you are in a mysterious house. This game is created with the intention to keep you in your feelings. Read on to learn more about its features: Actors characters - In the first game, you only need to survive against Grandma. But in Grandma's Head Two, there is a new character in town and his name is Grandpa! Grandma is a slow monster, but her ear is excellent! One wrong move and she will instantly run after you. You have to be very quiet while you are trying to escape. Grandpa, on the other hand, doesn't hear very well. But he has great strength and speed. Together they end up for a very scary couple that you don't want to mess with! You have to do everything to survive. Easy Control - In Grandma's Head Two, the controls are pretty easy. You can navigate around the haunted house thanks to the virtual platform on the left side of the screen. Then, you can interact with the various elements on the house by touching them. You can pick up objects, open and close doors, and pick up keys easily in this game. 3D Graphics and terrifying sounds - the graphics of this game are not top-notch, but it does the job well. It's in 3D and you'll really feel the eerie aura of the house all around. Not to mention, background sound and effects will scare you at all times. You will hear the footsteps of your grandparents as they come close to you! Puzzles - In this game, you need to get out of the house and survive for 5 days. But in order to do this, you have to solve the puzzles scattered all over the house. You have to find the keys to the boat and much before that. In general, you have to be in your prime to survive. Grandma Head Two Fashion APK - Dumb Enemy Grandma Head is the second scary game that lets you show your creativity and strong will. Download the dumb enemy mod now to instantly survive! Welcome to Grandma: chapter two. Grandparents are keeping you locked in their house right now. To survive you have to try to get out of the house, but be careful and be calm. Grandma hears things as usual. Grandpa doesn't hear very well, but he's hitting hard. If you drop something on the floor, Grandma will hear it when running. You can hide in cupboards or under beds.
