

# B. <sup>Domaine</sup> Boissonnet

## Saint Joseph Blanc

### CUVÉE EMISPHERE BLANC

*The vineyard estate is located in the centre of the village of Serrières in the north of the Rhone Valley. The XVII house hides vaulted cellars, restored with dedication, in which our Saint Joseph and Condrieu are raised.*

*On the steep hillsides that peer down over the Rhone, we are working near 12 hectares of grapevines, in the biggest respect for the land and the control of yields: sodding, suckering, leaf thinning, green harvesting. All this tasks allows us to harvest grapes perfectly ripe and of high quality.*

**Varieties** : 80 % Marsanne and 20 % Roussanne

**Land** : granitic soil and white soil. Selection of two parcels « La Côte » and « Les Rouasses »

**Yield** : 30 hl/ha

**Harvest** : Harvesting is carried out by hand with a direct pressing then cold settling.

**Vinification** : Pumping. Alcohol and malolactic fermentation in vats (from 1 to 3 wines). T° of AF between 13° and 18°. Maturing on fine lees, regular stirring.

Bottling after 9 to 10 months elevage.

**Tasting notes** : A fine nose which combines, by small touches, honey, lemon, dried flowers and dried fruits. Powerful and fresh in the mouth, it will delight you in its youth. It will smoothly awake our taste buds thanks to the Marsanne freshness. Its association with the Roussanne allows this wine to bring out the elegance and the complexity of the great Saint Joseph Blanc.

**Food pairing** : Ideal as an aperitif, it will perfectly go with your fishes, seafood and cheeses.
