Description: Saeed is a smart, transparent alternative to your daily finances. From time to time, we need money in the form of emergency loan mpesa and that's where Said's loan application comes in. need for a quick instant credit through m-pesa from an app like Said's Credit App? Then you came to the right place. When it comes to applying for an instant mpesa loan, you have to follow the right steps to qualify. Not only that, you need to know all the requirements and tools to have a smooth loan application process. This is what you will find here, we take you through the entire process of downloading, installing and applying for the Saida loan. This is one of the online credits in Kenya through mpesa, like the Tala app and the Timiza app. This will help you get loans in Kenya without collateral. So how do you go about this process of getting fast mobile loans in Kenya step by step using the money lending app? Below we take you through the details of the installation, application and qualification for the mobile loan. What do you need to apply for a said loan application? These are the requirements that you must meet before you apply for a loan and qualify as quickly as possible: a mobile phone and it must be an android smartphone. Be recognized as adults in Kenya, i.e. be at least 18 years old. Have a valid national ID or passport to be a registered user of the safaricom line. Have m-pesa active on your Android phone. Having a steady income also adds on helping you get a loan. Also, often use Mpesa and keep your messages on your phone. Now, once you meet these requirements, it's time to get the app on your phone. Check how to do it below. How do I download the saida loan app on your phone? Steps on how to download the Said Credit app. Make sure your phone is connected to the internet either through data or Wi-Fi. Go to the Google Play store on your smartphone and open it by clicking on it. After the Google Play store has opened, click on the search bar and enter the Saida lending app and click the login button. Select the Said Loan app from the results. Click on the installation button and wait for the app to complete the download and installation on the phone. Open the Saida app by clicking open After the application process is complete and saida installed, you will now need to register for the account. Registering your account allows you to log in and start using mobile credit app features. How do I sign up for the saida app? Follow these steps to sign up for okash make sure you download and install the app. Open the saida app on your phone. As soon as the app opens, click on it. You will be asked to enter your mobile phone number. 07 and click next Click Nearby to create an account. The Saida app will give you a welcome message as soon as you create an account. Now fill out the saida registration form. Use your full names (as they appear on ID). Confirm your mobile phone number. Take your ID number. Next, you'll choose email to use. Now click CREATE ACCOUNT. Confirm if the details you have behind the key are correct. Wait until the app process the information. Once you've completed process, now you can check if you are eligible for m-pesa credit through the Saida app. Steps to apply for a loan on said's loan application: Now it's time to apply for a loan. First, you need to press the Check button now to see if you can qualify for credit. The following follow these steps to apply for a said loan. Open the app on your Android phone. Enter the saida loan application. Press update now. Next, you'll need to answer a few questions that saida asks you. Once you're done answering questions, check to see if you're eligible. The app will tell you when you need to check the results to see if you have qualified for the loan. Usually it's in an hour. Going to the homepage by choosing to close this page Next confirm if you got right for credit by clicking the update. The questions asked during the loan application process: Here are the questions you will be asked when applying for an instant mpesa loan using the loan application saida. In what language you want to answer questions in English or Swahili your gender i.e. you are a man or a woman, they also ask you your age to make sure that if you are over 18 years old. Next, confirm your marital status whether you are single. Single with children (child), married with children (child) or just married. Another question is, yu will get your high level of education. Have you completed grade 8, 4th grade, diploma, degree, master's degree or PHD? Then, Saida also want to know if you live alone / with a spouse? And whether the house you have is owned or rented. The next question will be about your main source of income and whether it is part-time, seasonal or full-time. Also, when did you pay i.e. daily, weekly or monthly, and how much did you earn? How long have you been earning this amount of money for years? How will you use a said loan? The next question they ask is how will you use Said's loan for an emergency to build your loan, pay the bill, buy something or for my business. And finally, you're asked how much would you like to borrow either Ksh 100 Ksh 1000, from 1001 to 3000, from 3001 to 7000, from 7001 to 10,000, from 10001 to 15000, from 15001 to 30001 or from 30001 to 50000? The next step is to check whether you are eligible. The process of repaying your loan saida: To repay your okash follow these steps. You will use the following Number Paybill, which is 854400. Check the amount you have to repay for your loan on the app. Open the m-pesa menu on your phone. Choose Lipa-on-Mpes. Choose To Pay the Bill. Entrance Paybill number 854400, which is Said Suave Business Solutions. Choose your account number. your phone number as an account number. Now enter the amount to pay, it will be your loan amount. Click OK on the m-pesa menu. Contact details of Said Credit app: Do you have a question that you should be considered by Said Customer Service? Here's how you can contact them. To contact Saeed, Saeed, can contact them using the help menu in the credit app. Use the chat feature created in the app. If you don't have an app yet, then use your website and visit the frequently asked questions page where they answered the most common questions. Do you need to write a letter to the saida team? Then you can write to them using their protected email and protected email email address. The customer service team can also be contacted on social media via the official Twitter page, as well as through the official Facebook page. Said mpesa paybill number: Said m-pesa paybill number you use to repay the mobile loan is 854400. Said maximum and minimum loan amounts: There is a maximum and minimum amount of money that you can claim when you apply for a loan on the Said loan application. However, this amount of money depends on a number of things that the app will determine. How much can you qualify for the loan app? The maximum amount of money you can borrow from the Ksh. loan application is Ksh. 50,000 as soon as you qualify. The minimum amount of money you can borrow in the Ksh. 1000 loan application. Please note that this applies to the Kenyan market. The maturity of Saeed's loan? In the app, you can choose from 1 to 6 months of repayment schedule. Each of the loan repayment terms come with specific loan payment terms. How much interest do you pay on the loan okash? Saeed has a service charge of 3% to 21% per month, which adds up to APR 36%-252% of the amount lent to you. The interest rate is different with each person. This is because the interest rate depends on several factors such as the maturity of the loan and other loan terms. This is shown, especially if you are a high-risk person (bad creditworthiness), the interest rate you will pay on the loan saida will be higher. Late payments and overpayments: What happens when you make a late loan payment? If the repayment of the loan is more than 60 days late, the fine of 10% will apply to the late loan amount. After that, no additional fines or fees will apply again. Once again, saida loan apk app download
