... Download After Effects CS5 Review Version 2.0 of Pro Retouch, available for both Mac and Windows, is aimed at professional and advanced users of After Effects CS5. It includes the Pro Retouch Actions Panel and a new Image Processing panel, which allow you to have access to a wide range of features in After Effects. ViewSonic W2442 is a 21.5 inch (54.6cm) widescreen LCD display that supports digital signage and other information displays. It uses the 60Hz/120Hz Progressive Display refresh rate mode, and features a native resolution of 1680 x 1050 and has a native color depth of 16M. The W2442 is LED backlit and can display a high resolution of up to 1280 x 960. The W2442 is fully flicker-free, which makes it a great display for use with digital signage applications. The ViewSonic W2442 uses an Advanced DisplayPort interface, which is backwards compatible with DisplayPort 1.1, allowing for high-speed data transfer at resolutions up to 1920x1200 at 60Hz. The W2442 has a 1.2 Megapixel CCD sensor with an optional webcam included, which is exposed to the rear of the monitor. There is a USB port on the rear of the monitor. The ViewSonic W2442 is compatible with Windows Vista and Windows 7. The W2442 also supports X-Audio 2.0 for high quality audio on the W2442, with stereo audio capable of running through HDMI or DVI-D. The W2442 offers single, dual, and stereo audio modes. The W2442 comes with the SANYO Link 2 system for remote monitoring and control, which is especially useful for digital signage applications. The Link 2 system has a variety of options that allow you to remotely monitor, manage, and control the W2442. These include power saving settings, screen settings, the webcam, the audio system, and the brightness of the monitor. This remote monitoring and control allows you to monitor the screen, power and light settings, and adjust brightness on the W2442 from your computer or smartphone. The Link 2 system can be controlled with a wired or wireless remote controller, or it can be accessed via the ViewSonic W2442's interface. Features: Progressive Display RefreshingRate Mode Support for Vertical and Horizontal Viewing Angles 520fdb1ae7
