It will be slightly different and we will give you details later. As yet we aren't able to set up a group for young people in KS3 and the very young. #### Church Address List

Sarah, as church administrator, holds the church email address list for the purpose of sending out church communications. She is currently reviewing how your personal data is securely stored, used, shared and ensuring we comply with legislation.

For the time being, we regret can cannot give out any list with all the church members' contact details. If you wish to be in touch with a particular church member, please direct your query to one of the church wardens, who will endeavour to put you in touch.

#### Double Glazing update - Letters of Support urgently needed please

This long running project has reached the fund-raising stage and we have made bids to several sources. Funders ask for 'letters of support' from the congregation and users of the hall, so can you write or email to support the project?

As a reminder, the Eco group's survey showed that much of the heat loss in the Main Hall is through the windows; we found a supplier of double glazing where the panels are cut to follow the shape of the stonework around each window. The PCC are fully supportive, and we have permission from the Diocese.

If you can email or write a letter, here are the salient points to include. The new glazing will radically impact the energy efficiency of our much loved and used community space and reduce noise from outside the building. It will also ensure that by cutting the double-glazed panels to the shape of these historic windows, their aesthetics will not be compromised.

Please address any correspondence to Martin Evans as Chair of the PCC and send these emails and/or letters of support to Sarah at the Church office ([congregation@](mailto:congregation@stpauls.org)).  
Thank you  
Michael

#### St Paul's School

I am pleased to report that the staff and pupils have returned to school this week. The classrooms have been refreshed over the holidays with new sinks as well as a new canopy in the reception area and improvements to the kitchen. The Governors wanted to communicate to the whole community the improvements that have taken place and so created the attached annual report. Alex Smith who lives on Tenison Road is the parent who edited and arranged production of the report which has been delivered to most homes in the area. Many thanks to Rodney Hawkins for his help as a link between the church and school and to Russell Re Manning and family for delivering the publication. I do hope this is of interest to the whole church. Thank you all for your prayers and support. Many thanks  
Bev Jones, Chair of Governors

## Masks

I wanted to include this wonderful poem from Frances again, just in case it was missed in the last edition.

*We wear the masks to protect others  
From the virus that creeps and smothers.  
We wear the masks and stay apart-  
We cannot embrace or show our heart.*

*We fear the deadly disease  
Which we can name, but not control-  
That silently passes through the air,  
on things we touch here and there.*

*We wear our masks to protect ourselves  
From feeling failure, from sensing shame  
From the glare of criticism and blame:  
We dread the mirror showing our true self.*

*We fear the light that love can bring:  
The truth that others can speak  
Around the table, as we eat,  
Or on the path when we meet.*

*The crucified Christ took my shame  
Defeated death, and rose again  
Risen ascended, glorified  
Seated now at Fathers side  
King of heaven and of earth  
Bringing new creation to birth*

*His double crown all will see  
Everyone will bend the knee;  
Death is gone, life abounds  
Songs of joy all resound  
Through earth and sky and sea.*

Drawing on:  
I Corinthians 13:12  
Philippians 2:5-11  
Ephesians 1:16-23  
Romans 8:19-23  
Isaiah 61:7)
