To whomever it may concern,

Arvin Barnelas took care of my father in Kibbutz Shluchot, Israel in 2008.

Those were extremely troubled times for my father and as a result to our entire family.

Despite the tough conditions, Arvin showed great patience, empathy and care which was significantly helpful, just what was needed at the time.

Arvin is a very kind, intelligent, patient and friendly. He's presence brings calmness and reassurance.

I'd like to wish him the best and can assure that he will be able to offer the same to others.

With great respect,

Ariel Lbfsky

To Danel,

Greetings,

I would like to thank you for sending Arvin Barnales who cared for my late husband Yishayahu Newton.

Arvin is wise, quick learner, sensitive, empathetic, maintains hygiene and cleanliness of the house.

There was no need to tell him what to do; he has the willingness and the capabilities to learn if with regards to care giving or for example with regards to cooking.

He met all of our expectations. We hope for him and wish him a future position where he'll be treated humanely and with respect that he fully deserves.

He is honest and decent. I gave him the house key with no hesitation.

He is extremely patient, cultured and possesses conscience.

To those who are concerned with the presence of additional person in the house (as we have) his was barely noticed.

To summarize, he is the perfect person for care giving.

I very much thank you and him and wish him continued work in a good house.

With thanks and greetings,

Carmela
