Block Kids 2023

At Block Kids, you are given 40 minutes to use provided interlocking blocks, a piece of string, aluminum foil, and construction paper to build a project that is in some way related to the construction industry. Projects are scored on your verbal description of your creation, enthusiasm, creativity, use of materials, attention to detail and reason for participation.

Competition Structure and Winners

- Local winners advance to Regional Competitions
- One semi-finalist from each region is entered in the National Program competitions
- National prizes are awarded to the top three project

Are you in 4th grade?

Do you have creative ideas?

Do you like making things using your hands?

If you answered **YES** to these, then you'll love Block Kids!
