

## IN & OUT OF THE CLASSROOM

On April 1, Girls from the Advanced Liturgy Class visited Sweetest Heart of Mary Parish in Detroit, where they learned of the Polish Heritage that built this Church and continues to be a presence there today. Students also visited the Solanus Casey Center where we learned about the life of Blessed Solanus and prayed at his tomb.

◀ Moms and their sons enjoyed a great day of bowling at Wonderland Lanes. It has been a wonderful event and a well-attended OLSM tradition for many years.

Thank you to everyone who attended and participated in the 4<sup>th</sup> annual Mother-Daughter brunch this year! Over 375 beautiful ladies joined together for “Breakfast at Tiffany’s.” The photos speak volumes about what a special day it was for this group from the OLSM community and efforts that raised over \$10,000 for the Angels’ Place non-profit.

Thank you to all who came out and supported the Visual Arts at the first ever OLSM Student Art Show! It was awesome to see so many students, staff and families at the opening gala on Monday, March 31. There were close to 100

in attendance. It was great to have teachers bring their classes to the show. Over 355 artworks were displayed in physical forms of drawings, paintings, and ceramics while three slideshows of digital media were displayed to spotlight photography, graphic design and architectural floorplan renderings. A special thanks to the Galeria staff for the exhibition tours, use of their facility and assistance in set up and tear down of the show.
