## You make me happy when skies are gray svg

This product is a DIGITAL DOWNLOAD PRODUCT. Nothing will be sent to your physical address. You are my sunshine. This also is a great option for awesome gifts, you choose exactly what you want for your friend or a loved one and are a life savior for a last minute gift. Win win. -----what you GET:----- - 1 zip file for the vector, PNG, DXF files: - 1 SVG - 1 EPS - 1 PDF - 1 DXF - 1 PNG - 1 AI-----FILE FORMATS card info:----- SVG File Format – This is a vector format for cutting machines like Cricut, Silhouette cameo, Sizzix, but it is only readable in designer edition and business edition of Silhouette Studio software and will not work in the basic edition. - DXF File Format – This format is often used in Autocad software, but can also be used with Silhouette. This is a cut clear file, which means that when you open that design will have cut lines already on it, which can be used in the free basic Silhouette Studio software. You will be able to split and/or released the compound to be able to move the individual bits around with this file. - EPS File Format – You must have Business edition Silhouette Studio software to open and use these files. - PDF, PNG, AI, EPS - You can use for vinyl cutters, plotters, batch decorations, die cut machines, card making, stencil, screen printing-----PLEASE NOTE:-----Please notice that this listing is for digital download of the files only. It does not include any printed or clipped material, just the file to use and cut on its own, so there are no shipping costs. You will need to cut/print the design yourself.\* NOTE, this note does not include design changes, color changes or font changes. Due to the nature of the items, no refunds will be issued after a file has been downloaded. Thank you for visiting my shop! Crafters SVGs you make me happy when skies are gray SVG Cut or printable. -WHAT IS INCLUDED: A zipped folder that contains SVG, JPEG, PNG, PDF, EPS and DXF files. -HOW IT IS USED: Use this SVG file with Silhouette, Cricut Explore and other cutting machines. -TERMS OF USE: Create your own products--shirts, hats, mugs, stickers and more!
