Let's try something new today... I don't do a lot of exercise around here on the internet, but a lot of people ask me. And I listen. So we start with some exercise and present ongoing in English. Ready? If you want to, you can go over the rules here. Remember, the present simple art is made with a form of the verb to be more a weapon. Still, and that's what exercises them all about - form the verb to be correctly, and also makes weaponry. (If you don't know all these words in the example phrases, nothing happens. You can use a dictionary. In any case, the rules for forming the geundio are so simple that if you master them, you can do that even with new verbs.) The exercises are here on the internet, and you can also download them to the PDF for free by clicking here. We continue with ...
