

Dear Massage Oriental Customers,

We have a quick update here to our reopen dates. By Governor Tim Walz's new executive order the closure of personal services like us could reopen by Monday, June 1<sup>st</sup>. As before, Governor Walz emphasized that closures could extend beyond that date as the situation unfolds. We will stand by Governor Walz's judgment and are confident he is acting in our best interests. Keeping everyone at Massage Oriental safe is still our #1 priority.

If there is nothing changed we will reopen by June 1<sup>st</sup>. By the government's requirement, all customer required wear face mask at the visit. As we only able practice at 25% capacity as we normally have, phone appointment are strong recommended, please call 952-5461232 to set up your appointment.

For been two and half months closed down for the pandemic. It was painful but we will slowly get back and recovered to we have before. For now, stay safe and stay healthy. We miss you and can't wait to see you again soon!

Sincerely,

Peter Liu, and Massage Oriental whole staff
