English at the end of the post. Then I finally took the time to write down the pattern on the duck fragment. So fun to try to make my police animals with different yarns. All cops can be made in any yarn, it's just that they become different sizes. The duck is made with Scheepjes Soft Fun Aquarel. Soft and comfortable yarn consisting of 60% cotton and 40% acrylic. Soft Fun Aquarel is available in 11 different colors, all of which have such beautiful names. This yellow I used is called Sunscape ☺ can also be compared to Aquarel with solid Soft Fun or melerade Soft Fun Denim. My other cops can be found here: Heartpig Snuttis / Pig Ragdoll PandaSnuttis / Panda Ragdoll Snuttelsbjørn / Polarbear Ragdoll Frog Ragdoll (English) If you hook for any of my models and post on social media, please be sure to refer to a template or link to annavirkpanna.com.
