# Community Prayer and Reflection

**Dear God,**

We come before you with open hearts and pray for peace, restoration, and unity in Hackney. We ask for an end to violence and gang culture.

We pray collectively as one, knowing that you can guide, protect, and restore the children and families in our borough and throughout our nation.

We ask that all trauma and heartache be removed and that your peace transcends all understanding, restoring love amongst your people.

We pray with the hope that:

**HEARTS** will be softened to receive the love found in each other as God intended.

Spiritual **EYES & EARS** will be opened to receive & apply the truth God speaks.

**ATTITUDES** will be adjusted to see sin as God sees sin.

Children and Families be **RELEASED** from stronghold, foothold and snares of the enemy.

Lives are **TRANSFORMED** to live as true followers of Christ

That Hackney **STANDS** United, as one body of Christ.

**AMEN**
