

BEAUTIFUL OR INTERESTING?

This challenge is about you sharing something interesting or beautiful that is near your home. This should not be a well known site like Elmina Castle! Answer the following questions so that other people can understand what you see:

- A. What is the site called?
- B. What happens there?
- C. Why should people want to go there?
- D. How much time should you spend there to enjoy it?
- E. Is there a cost to enter?
- F. Do you need equipment to go?
- G. Is it clean?
- H. Is it safe?
- I. How do you get there from a big city? (Accra, Kumasi, etc.)

Write the answers to these questions on a document with your name on it (and names of others who helped you). If you can, take a picture too. Then save everything to the chip. That's it!

Remember: Use a site that is not well known...
