Just go through this MSP VIP account generator tool, fill in your username and select 12 months VIP membership, and generate hits. Check your account after a few minutes. Just make sure you've corrected The name is written. Here's the guide to usernames on moviestarplanet games: first find MSP on Google. And click on the website link. (obviously) click on Contact Support From the bottom of the page. Select MSP from the main page and then scroll to the bottom of the page for the Moviestarplanet support link and click on it. On this page, below, you will see a contact form. Click on it. Fill in the original details like email id, your username, select games as your country and MSP. Then select my user in the section what your question is about. Select your device. Type in the subject user name change request. Don't click on suggested articles. In the details section, type as you are the user's parent and are mad at him for using your real name in the game. For example: Hello Support Team, My Kid is playing this game with its real name as username. I am the person who is very concerned about the privacy of his children and I don't want him to use his real name in any sport. Can you please change my child's username? That would be very helpful. Then suggest them the new username you want. In the next step, verify yourself as a human and click Submit. Just. In 99% case, they will change your username. Follow these steps to change the language on moviestarplanet: First login to your MSP game, check the upper right corner. Will be a flag with the image of the country. Click on it and you have the option to change the language from different countries. To be honest, there's no way to get a restricted account back on Moviestarplanet. That's a hard truth! Once it is banned, it will be banned forever. When a user searches your username, they'll see deleted user messages. But there is a way to unblock it if your account was banned by any mistakes. Read this guide for MSP unblock. No darling it is! I know being 14 is a difficult time. But I suggest you wait and see. It will be amazing over time. This MSP game is really designed for teenagers, just play and have fun.
