Includes hundreds of different body parts to study in detail, such as organs, muscles, tendons, and bones. From concept to fruition, the world renowned Los Angeles based sculptor, Michael Rosen, has captured the subject matter of the latest edition of the Phantom or X-Wing Collection - the Jedi Starfighter and Wookiee vehicle. Michael Rosen's work is featured as an icon in The Phantom of the Opera, "The Scarlet Pimpernel", The Phantom of the Opera III, the Spider-Man movie and the first two Transformers movies. The two 3D-printed pieces of the Phantom of the Opera and X-Wing are accompanied by a detailed owner's manual with instructive diagrams, explanatory text and photographs of the finished pieces. Rosen has released new versions of the Phantom and X-Wing to coincide with the new Star Wars movies. This collector's edition includes a DVD of the complete season one of the prequel trilogy, Star Wars Episode I: The Phantom Menace. The DVD includes the complete theatrical release of the film. "The new version of the Phantom and X-Wing are excellent models. It's the first version I've owned and I was pleasantly surprised at the quality of the pieces. They were really good but felt a little rough. The two pieces were a bit difficult to get together and after one attempt the jointing took some work. Overall, it was a great experience." Brian in Canada . The two 3D-printed pieces of the Phantom of the Opera and X-Wing are accompanied by a DVD of the complete season one of the prequel trilogy, Star Wars Episode I: The Phantom Menace. The DVD includes the complete theatrical release of the film. "Both of the models are gorgeous and made from extremely high quality plastic. I'm amazed at the attention to detail and the detailed instructions included. They are incredibly easy to build and offer a great way to learn about the basics of engineering, engineering design, and how to design and build a working model." Chris in Connecticut Features Both 3D printed models High quality plastic Multiple sets of detailed instructions DVD of Star Wars: Episode I - The Phantom Menace Both pieces come with an owner's manual Colorful figures of the Phantom of the Opera and the Wookiee vehicle The Phantom, his cape, mask, 520fdb1ae7
