What is macbeth's lie to banquo

Thank you for your participation! How do I learn faster and remember more? What is Macbeth Banquo's lies about witch predictions? He says he doesn't even think about them. What is Lady Macbeth's signal to give Macbeth to inform him that she has taken care of the guards (grooms)? What excuse does Lady Macbeth offer for not killing Duncan? He looked like her father sleeping there. After Macbeth kills Duncan, he goes to Lady Macbeth and is concerned that Amen can't say. What's she going to give him? She tells him not to think about it so much, or it will make them crazy. (Note what she does later, in fact, go crazy and commit suicide.) Macbeth then worries when he hears a voice saying: Macbeth is doing a killing of sleep. What did Lady Macbeth then tell him to do? She tells him to go get water and wash this dirty witness out of his hands. In other words, get cleaned up and forget about it. Why didn't Macbeth answer daggers back to the crime scene? He can't look at Duncan anymore. McDuff and Lennox were knocking on the gate. What three things provoke alcohol consumption? This provokes nose drawing, sleep and urine. How does Lennox describe the night, and what is Macbeth's reaction? Lennox goes through a great description of a terrible night, saying that he predicted terrible, confusing times ahead. Macbeth shrugs off, saying it was a rough night. What did McDuff find? McDuff found Duncan's body. McDuff says: Oh, gentle lady, it's not for you to hear what I can say. Repetition, in a woman's ear, would be murder as it fell. What's the paradox? Lady Macbeth was the defining force in Duncan's death. She's not a lady. What excuse or explanation did the macbeth give for the murder of the guards (grooms)? What is its real reason? He did it with pain and rage, but in fact he wanted to get rid of possible witnesses to the murder. Why are Malcolm and Donalbein leaving? They are afraid that the king's killer will be after them too. Why doesn't Ross believe Malcolm and Donalbein were responsible for Duncan's murder? He says it's against nature - and their personal nature and nature as the ruling force in the universe. What is the banco worried about the witch prophecy? What is Macbeth's reaction? He had bad dreams about witches and some of what they said came true. Macbeth says he hasn't thought about them. Banquo would like to discuss the matter with Macbeth. What does macbeth see when Banquo and Flins leave and what does he say about it? He sees a bloody dagger floating in front of him. He says it's just a dream. What did Lady Macbeth not be able to do in Duncan's cell? Why? She couldn't kill Duncan because he looked like her father. What was Macbeth's reaction when he came back from Duncan's cell? What did he say? He was upset and felt He said it was a pitiful sight. He also stated that he had killed the dream and he could not tell the amen when he needed it. Who slept in the second cell? Why did Shakespeare include this information in the play? Donalbein was asleep. It makes him suspicious. Macbeth can't go back to Duncan's cell with bloodied daggers. Why do you think he's afraid to come back? He can't face the murder he committed. He feels too much guilt. What did Lennox say to Macbeth last night? Lennox said there was a bad storm and he had never seen one so violent in his life. Who's going to know that Duncan was killed? McDuff discovers Duncan's murdered body. Why did Macbeth say he killed the guards? Macbeth says he killed the guards because he felt they killed Duncan. He was so angry and heartbroken he could not control his rage. Why are Donalbein and Malcolm leaving? Where do they say they're going? Donalbein and Malcolm because they fear for their lives. Donalbein goes to Ireland and Malcolm goes to England.
