## [Verse 1]

I get up in the evening  
And I ain't got nothing to say  
I come home in the morning  
I go to bed feeling the same way  
I ain't nothing but tired  
Man, I'm just tired and bored with myself  
Hey there baby, I could use just a little help

## [Chorus 1]

You can't start a fire  
You can't start a fire without a spark  
This **gun**'s for hire  
Even if we're just dancing in the dark

## [Verse 2]

Message keeps getting clearer  
Radio's on and I'm moving 'round the place  
I check my look in the mirror

I wanna change my clothes, my hair, my face  
Man, I ain't getting nowhere  
I'm just living in a dump like this  
There's something happening somewhere  
Baby, I just know that there is

### **[Chorus 1]**

You can't start a fire  
You can't start a fire without a spark  
This **gun**'s for hire  
Even if we're just dancing in the dark

### **[Bridge]**

You sit around getting older  
There's a joke here somewhere and it's on me  
I'll shake this world off my shoulders  
Come on, baby, the laugh's on me

### **[Verse 3]**

Stay on the streets of this town  
And they'll be carving you up all right  
They say you gotta stay hungry  
Hey, baby, I'm just about starving tonight  
I'm **dying** for some action  
I'm sick of sitting 'round here trying to write this book

I need a love reaction  
Come on now, baby, gimme just one look

**[Chorus 2]**

You can't start a fire  
Sitting 'round crying over a broken heart  
This **gun**'s for hire  
Even if we're just dancing in the dark  
You can't start a fire  
Worrying about your little world falling apart  
This **gun**'s for hire  
Even if we're just dancing in the dark

**[Outro]**

Even if we're just dancing in the dark  
Even if we're just dancing in the dark  
Even if we're just dancing in the dark  
Hey, baby
