

Bruce Springsteen - No Surrender

[Verse 1]

Well, we busted out of class
Had to get away from those fools
We learned more from a three-minute record, baby
Than we ever learned in school
Tonight I hear the neighborhood drummer sound
I can feel my heart begin to pound
You say you're tired and you just want to close your
eyes
And follow your dreams down

[Chorus]

Well we made a promise we swore we'd always
remember
No retreat, baby, no surrender
Like soldiers in the winter's night with a vow to
defend
No retreat, baby, no surrender

[Verse 2]

Well, now young faces grow sad and old
And hearts of fire grow cold
We swore blood brothers against the wind
I'm ready to grow young again
And hear your sister's voice calling us home
Across the open yards
Well maybe we'll cut someplace of our own
With these drums and these guitars

[Chorus]

Well we made a promise we swore we'd always
remember
No retreat, baby, no surrender
Like soldiers in the winter's night with a vow to
defend
No retreat, baby, no surrender

[Verse 3]

Now on the street tonight the lights grow dim
The walls of my room are closing in
There's a war outside still raging
You say it ain't ours anymore to win
I want to sleep beneath
Peaceful skies in my lover's bed

With a wide open country in my eyes
And these romantic dreams in my head

[Chorus]

Well we made a promise we swore we'd always
remember

No retreat, baby, no surrender

Like soldiers in the winter's night with a vow to
defend

No retreat, baby, no surrender
