FNaF 6: Pizzeria Simulator is the 6th part of the famous horror game series, Freddy. Currently, the game has been officially released for Android and iOS. Players can buy games directly from the Play Store and App Store for \$2.99. In fact, FNaF 6 was released for free on Steam by Clickteam USA LLC on the computer in December 2017. Immediately, the game received tons of positive reviews from players. Many people after the game rated it a masterpiece of horror games You've never played before. Then, not surprisingly, just a few days after starting the game on the mobile platform, FNaF 6 is now at the top of the list of paid games popular in app markets, in many countries. In this article, we bring you the APK file of this game so you can install and play FNaF 6: Pizzeria Simulator is completely free. StoryThe game takes you to a restaurant called Freddy Fazbear. Your daily job is to make pizza and manage everything that happens in the restaurant to make sure it works smoothly. After a long day of work, you need to rearrange everything in the store before closing. Activities at the restaurant were very normal until one day, some strange things started to happen. You can quickly notice the horror and mystery in your restaurant, and there's someone behind everything to grab them. Are you brave enough to explore the whole story and find the answer to everything? Gameplay SimulatorFNaF 6: Pizzeria Simulator is not just a simulation game like the one you see in the description. It brings elements of horror, mystery and a fascinating story that players can explore. The first job when you set foot in the game is to build your restaurant. You can start by renovating the restaurant by buying items and placing them in different locations in the restaurant. Buy these decorative items to help increase your restaurant's indicators such as health/safety and entertainment standards. Like other tycoon games, you need to increase your stats as Faz Points for restaurant development. Besides, you should also pay attention to the risk if you don't want to stick to lawsuits. After each night, you will receive the money and edit the claim and deduct the amount (Based on the claim and Faz Points, the end of the game will be different). You need to buy animatronics, buy games and so on to increase Faz Points. And note that you have to pay attention to risk during each purchase because if you make a mistake, you can go bankrupt. When you have enough revenue, you can buy new locations and expand your business into an empire. An interesting simulation game, this is what you can see from the description of the game in the Play Store. It's true, but not all of it. There are many other things you will come across in this game that are completely unrelated to what you can see in a simulation game. Discover the horror mysteryYing your restaurant management jobs will be suspended at night. However, this is also the that show things of terror. It's Animatronic. During the day, Animatronics works like normal machines, it is an entertainment tool that attracts children to the restaurant. However, after 12 p.m., you will realize a scary thing that Animatronics can move on their own and try to kill you. If you've ever played the previous part of FNaF, you certainly know the origin of Animatronics. At first, it was puppets made for the work of the restaurant. Things changed when five kids were killed by a killer at the pizzeria. The bodies of these five children were hidden in animatronics and made them crazy and bloodthirsty. You will face attacks from these Animatronics while exploring the secrets behind them. Play Mini-GameMini-games is an important part of FNaF 6: Pizzeria Simulator because it contains tips to help you unravel the mystery. In the game, you will play some pretty simple and interesting mini-games. However, there is a very remarkable mini-game that you will be playing. It's a very simple 8-bit racing game. At first, everything is perfectly normal until you find a secret. He'll take you to a deserted mountain house. At this point, you will check out a mysterious yellow character. Moving in, you'll see a kid watching TV. Then go on, you'll see a room locked. This is one of the events that led you to the stories of previous games. There are many facts you can collect from the mini-games game. Don't forget to sequence them to find the full story. Graphics and sound. FNaF 6: Pizzeria Simulator is an 8 bit graphics style game. The details are simple and not colorful. The gloom is what you can see most clearly in the game. Besides, the sound of the game is really a plus point. Jumpsuitscare and sometimes creepy background music makes you startled and scared.
