Virtual Office

Who are these suited to?

We envisage this option to be suitable for individuals that undertake a large amount of travel as part of their business but who has a requirement to receive post at a fixed address.

What is included?

Letters will be taken in and stored in a locked locker.

These can be collected during office hours.

Additional charges

These will apply if there is an excessive amount of letters or if large parcels are received.

They may also apply where post is not collected for long periods e.g. more than once per month.

Post can be forwarded at an agreed charge.

Cost and Payment

€ 30 per month which must be paid in advance.

Bonus Benefits

Make use of your trip to collect your post by availing of these additional services.

Virtual office holders are eligible for 50% discount in Hot Desk fees and 25% discount when booking the Conference room or the Meeting room.
