

# THE FULLER CENTER FOR HOUSING

## Of Greater New York City: VETERANS INITIATIVES

Our Veterans Initiative program is an outreach initiative seeking to assist, engage, mobilize and educate Military members and Veterans about our program and services. We have spent over 2 Million dollars toward our Veterans in the following ways:

### Homeownership

The Fuller Center recognizes that our Veteran population is rapidly growing, with thousands throughout the Greater New York City area struggling to meet everyday needs, including simple, decent and affordable housing. The Fuller Center of New York encourages low-income Veterans interested in Homeownership to apply.

### Home Repair

We also has a home repair program for low-income Veteran homeowners. Repairs include interior and exterior improvements. We also rehab American Legions and VFW's.

### Volunteer

Veterans, Military personnel and their families understand the meaning of service better than anyone and can play a key role in shaping our communities. We invite our Veteran community to join us through one of our various volunteer opportunities available including: working on new homes, renovating and repairing rehabs, volunteering in our ReUse and serving on committees or special event teams.

### Veterans Advisory Council (VAC)/Hiring Vets

V.A.C. helps guide the outreach efforts of our organization within the Veteran community. Comprised of Veterans and Veteran support organizations, the VAC assists in the implementation of existing Veteran focused programs and helps shape the direction of our Veterans outreach initiative and is always seeking new members to be a part of the movement. We hires Veterans!

### Advocate

Many Veterans in Westchester County lack permanent housing. With the rising number of returning Military personnel, the need for affordable housing options will continue to increase. Building more homes is not the only solution. Changes in legislative policies are equally important and we encourage our Veteran partners to become advocates for change and let their voices be heard!

WE SERVE. WE HONOR. WE BUILD.
