# Make Money Selling Digital Products on Instagram

💻 Work Remotely | ✈️ Travel More | 💰 Make Passive Income

**Want to grow an Instagram page that makes money while you travel—without showing your face?**

Hi I'm Brandon and I created this Guide to help others Get Started Creating Profitable Instagram Pages before spending money on any course. Learn from my mistakes so you can fast track and streamline your journey.

Most Instagram courses will tell you need to reach 10K followers before you can start selling, which can take 90 days or more (especially for Affiliate Marketing). So, If you have purchased an expensive course that can feel like a very long time.

My advise for getting started is get comfortable using Ai such as ChatGPT and Canva for content creation.

**Start building** and growing an Instagram page **today**, so you can enjoy the flexibility and of **financial independence**.

Motivation and Lifestyle

# Step 1

## Choose Your Niche (Pick a Profitable Topic!)

### Your niche should be:

- ✓ In demand (People search for it)
- ✓ Evergreen (Always relevant)
- ✓ Easy to monetise (Affiliate marketing, digital products, brand deals)

### Best Niches for Faceless Instagram Accounts:

-  Motivation & Success (Quotes, Mindset, Self-Improvement)
-  Finance & Passive Income (Money Tips, Investing, Side Hustles)
-   Health & Fitness (Workouts, Diet, Wellness)
-  Luxury Lifestyle (Cars, Travel, Wealth Inspiration)
-  Tech & AI (Apps, Gadgets, AI Tools)
-  Travel & Adventure (Destination Guides, Travel Hacks)

# Step 2

## Set Up a High-Performing Instagram Page

### Create an Engaging Username:

- ✓ Keep it simple & niche-related (@WealthWisdomTips, @DailySuccessMindset)
- ✓ Avoid numbers or special characters

### Optimise Your Bio:

- ✚ Who You Help + How You Help Them
- ✚ Call-to-Action (“Start Earning – Link in Bio”)
- ✚ Use Beacons/Linktree to add affiliate links

### Choose a Profile Picture

- 🎯 Use a logo, icon, or aesthetic image related to your niche

# Step 3

## Plan Your Content Strategy

(70% Reels, 30% Carousels)

- ◆ 70% Reels – Trending sounds, text-based videos, viral captions
  - ◆ 30% Carousels – Quote carousels, how-to guides, motivational slides
- 🚀 **FREE TOOL:** Use Canva & CapCut to create viral Instagram content!

# Step 4

## Use Viral Hashtags & Captions to Boost Engagement

### Hashtag Formula:

- ✓ Broad hashtags: #Success #OnlineBusiness #WorkFromAnywhere
- ✓ Niche-specific hashtags: #WealthWisdom #PassiveIncome #RemoteWork
- ✓ Low-competition hashtags: #FacelessInstagram #FreedomLifestyle

### Engaging Captions:

- 💬 “Double-tap if you agree! 100 #SuccessMindset”
- 💬 “Tag a friend who needs this motivation! 🔥”
- 💬 “Comment ‘YES’ if you’re ready to build your dream life! 💪”

# Step 5

## Monetise Your Instagram Page & Make Passive Income

Once you build an engaged audience, start making money by:

🔥 Affiliate Marketing – Promote digital products & earn commissions

🔥 Selling Digital Products – Create e-books, templates, or courses

🔥 Sponsored Posts – Get paid to promote brands

🔥 Shoutouts – Offer paid promotions to smaller accounts

# Empire Creator

If this free guide helped you see what's possible, the next step is having a clear system to follow. Motivation is powerful but results come from structure.

That's exactly why I created the Empire Creator \$49.99 step-by-step pdf guide. It breaks everything down simply: what to post, how to grow, and how to turn social media into an online income even if you're starting from zero.

If you're serious about taking action instead of just staying inspired, scan the QR code below to access the full system.
