

Julianne Appel-Opper

Advisory Board International Gestalt Institute
Switzerland

Julianne Appel-Opper, Psychologist, Integrative Gestalt Psychotherapist, international Trainer and Supervisor with 30+ years clinical experience. Julianne lived for 9 years in the U.K. where she worked both privately and in the NHS. She is now in private practice in Berlin, but continues to work internationally as a visiting/online trainer as well as presenting at conferences.

She has developed 'Relational Living Body Psychotherapy' which she has taught, presented internationally and written about. Since 2001 she has worked as a trainer: 2004-2015 visiting tutor/examiner (MSc/Doctorate level) for the Integrative Department at Metanoia, London. She has collaborations with training programs in various European countries. She has been an Editorial Board Member of the European Journal for Qualitative Research in Psychotherapy.

She is a founder member of IG-FEST, International Gestalt Therapy Study Group on Field-Emergent Self and Therapy. She is an accredited member of the Berlin and East German Chamber for Psychotherapy, a member of the IAAGT, Intern. Association for the Advancement of Gestalt Therapy, IARPP, International Association for Relational Psychoanalysis and Psychotherapy, a friend of the GPTI, Gestalt Psychotherapy and Training Institute.

Diplom Psychology, Registered Psychological Psychodynamical Psychotherapist in Germany, Registered Integrative Gestalt Psychotherapist with the United Kingdom Council for Psychotherapy, MUKAHPP, Supervisor, University of Birmingham, U.K.
