Further details about aircall and its features can be found on our aircall user reviews page. eVoice: Best Vanity Phone Number with Live Receptionist eVoice, which starts at \$6.25 per user, per month on an annual basis, is a virtual phone service with vanity phone numbers, unlimited texting, and more. What makes the system stand out is the fact that it offers the opportunity to hire a live receptionist at an additional cost. This is ideal for companies that want to instead of an automated system, answer your phone. Live receptionist capabilities Waste application number can take some time Something clunky interface Basic compared to other systems Visit eVoice eVoice Prices eVoice Lite: \$ 6.25 per user, per month for 350 monthly minutes, two users, six-figure limit eVoice Unlimited: \$16.25 per user, per month for unlimited minutes, four users, 12-number limit eVoice Unlimited Plus: \$15.83 per user, per month for unlimited minutes , six users , 12-number limit eVoice Pro: \$ 15 per user, per month for unlimited minutes, 10 users, 30-number limit eVoice User Features Vanity Numbers: Accept your own unique number that sticks out in the memory of your customers. Live receptionist: Have one of the eVoice human receptionists take your company's calls. Incoming faxing: With Unlimited, Unlimited Plus, and Pro plans, you receive as many virtual faxes as you want. For more information, please visit our eVoice User Reviews page. RingBoost: The best Vanity Number Provider for industry-specific RingBoost numbers, which offers different prices based on what number you choose and what region, is a virtual phone number provider that offers a wide range of vanity numbers that you can search for based on category and industry, such as health care or cleaning services. It's not a specialized phone service like other solutions, but it offers you the ability to buy vanity phone numbers for as little as \$15. It's our choice for users who want to claim one-off, industry-specific phone numbers. Does not serve as a complete telephone system Buy numbers to add to your existing system Num prices vary greatly depending on what you want Search for numbers from the category You need to pay extra for a nationwide check of this number Visit RingBoost RingBoost Prices RingBoost prices their numbers from \$ 15 per month to more than \$1,000 per month depending on what number you want. You'll also need to decide whether you want nationwide control over that number or just for a specific region. This will also have an impact on the price. Prices for free minutes are as follows: 100 minutes: No extra charge 250 minutes: \$15 per month 500 minutes: \$30 per month 750 minutes: \$45 per month 1000 minutes: 50 dollars per month 2,000 minutes: \$100 per month 5,000 minutes: \$250 per month RingBoost Features Vanity Numbers: You can search for available RingBoost numbers by industry type or general business category. Flexibility: If you're already satisfied with your phone system, RingBoost provides a separate number provider to use in conjunction with anything you already have. Usability: It only takes a few minutes to look up and receive a new number. Bottom Line Vanity phone numbers allow you to get the most out of your phone system. Not only are you providing for your customers to talk to your employees, you are also providing a memorable number that your audience is more likely to remember than those of yours In many ways, vanity phone number is not just a communication method, but an effective marketing channel. We recommend Phone.com for most small businesses because it offers a robust vanity number search function and a complete, affordable phone system. You can also choose between per minute and unlimited service call levels to ensure that you can choose a plan that works for your unique business needs. To get started, click the button below.
