

# DAILY INTENTIONS

I AM constantly flowing within a synchronistic life that serves & fuels my dharmic happiness.

I AM thrilled with the newfound confidence I feel within ... my world responds accordingly.

Opportunity, synchronicity, collaborators and more are constantly flowing effortlessly into my life in perfect timing everyday.

I AM allowing all of Loves' gifts to flow into my life I always know exactly what to do & when. My intuition is right on. My gut feeling KNOWS.

My memory is SHARP. My Recall is phenomenal. My eye is focussed. I AM able to move forward with greater success

My physical health is moving from strength to strength, I feel vibrant & fully alive on all levels.

I AM ready to use my sovereign power to materialize my every need, desire, and obligation for my Highest Good and the Highest Good of All.

I prepare the banquet of my amazing life by maintaining positive expectation and active Faith.

# DAILY INTENTIONS

I AM ready to further turn from what was & take the very best to create the new.

I AM in the driver's seat of my Life & I AM looking forward to everything. I rise to each and every occasion presented to me. This is my time.

I meet myself as the Woman/Man I have become.

The Ruby Red Ray of the Divine Life-Force now rolls out in front of me like a Magical Red Carpet. Every step I take, Mother Earth & Father Spirit lift up all that Nourishes, Heals, Energizes, Supports, Sustains, and provides for my Highest Good with ease ~ and it all magnetizes into my life perfectly.

My gifts are expanding & deepening, my connection to Father/Mother God of my Soul & the Christ Consciousness within me is constantly deepening into the absolute of total awareness, my heart is full.

I take back my power to embrace the Fullness of life and to have the Fullness of Life embrace me.

I embrace unconditional Love, Love embraces me.

I embrace Truth, Truth embraces me.
