

# Dr. Susan Estep

**“I continue to learn with passion and an open mind as I create both beautiful smiles and wellness in my community.”**

Dr. Susan Estep presents a distinguished list of scholastic achievements in her field, including the award of **Fellow in the Academy of General Dentistry (FAGD)**, **Fellow in the Academy of Comprehensive Esthetics**, **Fellow in the American Academy for Oral Systemic Health (AAOSH)**, and she serves as a **Mentor in the American Academy of Facial Esthetics**.

In 2010, Dr. Estep helped found the **American Academy for Oral Systemic Health (AAOSH)**, a group of healthcare providers dedicated to expanding awareness of the relationship between oral health and whole body health. AAOSH members come from all healthcare disciplines and include the nation’s healthcare leaders. Dr. Susan Estep sits on the Executive Board for AAOSH and chaired its 2010 and 2019 scientific sessions. Dr. Estep currently serves as the President of AAOSH and remains passionate to educate dentists and teams in oral systemic health.

Dr. Estep practices dentistry at her Midtown, Atlanta office where she has designed a Complete Health Dentistry practice dedicated to her patients' overall health. This complete health model has also sustained her practice's health through economic recessions and a pandemic.

Dr. Estep's other passion are her two teenage children who keep her on her toes and laughing. They are a large motivator for her to practice the healthy lifestyle she preaches to her patients.
