CALL FOR FELLOWS

We're recruiting the adventurous, the explorers, the dreamers,
with the boldest ideas on the planet. We believe the voices and
dreams of youth matter.

You are invited to have a meaningful, dynamic experience
as you apply your class content and personal talent
in a real world Social Impact Start-Up Organization.

We are only interested in genuinely enthusiastic individuals who
wish to get involved and support youth, creativity and Boulder's
vibrant social impact community of entrepreneurs.

As a Dream Tank fellow, you will be learning directly from the
CEO as well as your cohorts on the Fellowship team in
weekly classes, meetings and guided, one-on-one sessions that
help you realize your Dreams while making Dream Tank the
destination for youth entrepreneurs.

CHIEF OF STAFF FELLOW

16-30 hrs/wk

Work one-on-one with the CEO to oversee operations and human resources

The Chief of Staff Fellow must be creative and enjoy working within a small, entrepreneurial environment that is mission-driven, results-driven and community oriented.

The Chief of Staff serves as the primary point of contact for internal and external constituencies on assigned matters pertaining to the CEO, helps coordinate with board and advisory members, and Dream Team members, and oversees special projects.

Act as a point of contact between top management and employees or other stakeholders.

Organize Google Drive

Co-create processes to help smooth operations

Take notes during company meetings

Manage budget and spreadsheet for all expenses and revenue.

Be a point of contact for investors

Assist with financial projections

Assist the CEO with business development and staffing

Participate in Dream Tank accelerators and labs

Be a point of contact for parents and schools

Organize and maintain operations tasks and schedule in a spreadsheet

The ideal individual will have the ability to exercise good judgment in a variety of situations, with strong written and verbal communication, attention to detail, administrative, and organizational skills, and the ability to maintain a realistic balance among multiple priorities. The Chief of Staff will have the ability to work independently on projects, from conception to completion, and at times must be able to work under pressure.

This role is excellent training for any future role in the business, non-profit, government, and campaign worlds. Learn and grow whilst having an enriching professional experience! Expect to laugh and have a lot of fun, as our CEO is an ordained “Minister of Fun!”

The Chief of Staff Fellow will assist in administrative, financial, and operational activities for the CEO & Advisory Board / Directors. Tasks and responsibilities include but are not limited to:

TO APPLY: email hi@dreamtank.co with an intro including why you are ready for this adventure, a fun photo and your CV, or a short video, and share your passion and interest with us!

TRAINING & DEVELOPMENT FELLOW

12-16 hrs/wk

**Would you like an opportunity to turn the table from student to teacher?
Are you interested in a model that invites children to be leaders in their
innate wisdom and limitless possibilities?**

Do you light up with the fulfillment of an empowered child, and desire to see the brilliant ideas of children launch in the world?

The Training and Development Fellow will be helping to create and deliver cutting edge training programs for Dream Tank facilitators and students alike. Key responsibilities of the position would include but is not limited to:

- Design and conduct training and development programs for Dream Tank facilitators
- Conduct needs analysis to ensure targeted trainings
- Help with delivering classroom trainings
- Work with Film/Video fellow to script training videos and gamify training content
- Evaluate and refine training programs
- Overall help build the Dream Tank culture of social entrepreneurialism and Dreams (!) by creating and sharing knowledge in our unique and exclusive Dream Tank curriculum

In this fellowship, you will learn design thinking, entrepreneurship, and how it applies to education and launching businesses with young people.

You will work closely with another Dream Team member and train while learning how we implement our curriculum and build in learning. We welcome all input and ideas as we are continuing to test and refine our process. You will choose 1 or 2 days a week to be present for a 3 hour period. You will help with parent reporting and will be invited to vlog and report after each Dream Tank Laboratory. Join in on “behind the scenes” action as Dream Tank completes its Phase 2 pilot, preparing a replicable model for schools in other cities. As Dream Tank expands, we will pull from our initial group to join us in national and global paid trainings for other Dream Tank cities.

Have a chance to apply your classroom learning in a real-world cutting edge educational experience. Only apply if you are up for an adventure and a mission to empower kids globally!

TO APPLY: email hi@dreamtank.co with an intro including why you are ready for this adventure, a fun photo and your CV, or a short video, and share your passion and interest with us!
