Hippopotomus for christmas lyrics

Image: Orbon Alija/E+/Getty Images Check mall for holly coughing... Wait, that's not right! Every year, shortly after we digest our Thanksgiving turkeys, radio stations and stores start playing Christmas music. Like it or hate it, there's no escape! And what's even more crazy is that some people are playing along with these classic songs without knowing the right lyrics! There's nothing like standing in an elevator with someone playing along with Wonderland Winter, only they're dearly, Then, we'll legalize as we sweat by the fire. You get an idea! Luckily, there's a way to improve the knowledge of your Christmas songs: listen to them all the time, all year round! Okay, maybe that's a high order. However, if you start studying after the Fourth of July, you should be able to memorize 200 to 300 good songs! That gives you a foot over slouches that are really waiting until December to start playing their Christmas music! Plus, you have a variety of songs to choose from: traditional religious hymns, songs about Santa and North Pole denizens, songs about snow, songs popularized by cartoon characters and so on! So see where you stand now. Take a quiz and see if you can still identify these Christmas songs even with their severely damaging lyrics. Then you'll know your weak area and which songs need to learn harder starting next summer! The 12 days of Christmas refers to the period between Christmas Day and the Epiphany feast (12th Night), which is celebrated on January 6. The twelve Christmas Day songs have been fascinated by carolers for centuries, as words seem ridiculous. Various versions of the song exist, although the first published version may have been part of an English children's book called Mirth without Mischief published around 1780. Theories about the origins of the song range from ambiguity to practicality. Some believe that the song is a real memory game; Children or Christmas revelations will do their best to remember all items in the correct order, and if they fail they are required to give up or reckless items. According to other theories, items listed represent gifts and entertainment may be provided at Christmas parties. It has been argued that Twelve Christmas Day came as an underground catechism song for oppressed Catholics living in the Protestants of England between the 16th and 19th centuries; This theory was bemused by Snopes.com. However, the idea that each item is a symbol for something other than itself is still ongoing.
