

Santorini - Outdoor

Designed by Nicholas & Harrison Condos

INDOOR STYLE MEETS OUTDOOR DURABILITY

Inspired by the whitewashed houses dotting the cliffs of the Aegean Sea, our Santorini collection is streamlined luxury. Clean lines and simplicity of form put comfort center stage in this iconic modular sectional — the perfect blend of indoor aesthetic and outdoor performance.

Olefin Fabric: Strong, colourfast and comfortable, with resistance to staining, mildew, abrasion, sunlight.

PROTECTIVE COVERS:

Protect your investment with water-repellent Sea-Sprae® fabric; protective backside coating, UV resistant.

Victoria Alu

Designed by Nicholas & Harrison Condos

PERFECTLY BALANCED IN SCALE AND PROPORTION

Inviting curves meet striking lines in our bold Victoria collection. Inspired by Australia's modern architecture on its southernmost coast, Victoria is a study in transitions. Continuous lines dramatically bend 90 degrees, broad legs slim like late afternoon shadows — creating contemporary harmony.

MLB

Designed by Martyn Lawrence Bullard

MLB is Harbour's premier collaborative collection. Inspired by modern interior design pieces, this outdoor collection was designed alongside multi-award winning Los Angeles-based interior designer, Martyn Lawrence Bullard. Martyn has been consistently named as one of the world's top 100 interior designers by Architectural Digest and is featured permanently in Elle Decor's A-List.

MLB is a collection of outdoor statement pieces inspired by some of Martyn's favorite modern interior pieces. These pieces feature a range of new premium Harbour materials including chipped marble, travertine, Olefin fabric, as well as our signature Indonesian A-Grade teak in natural and charcoal finishes.
