

# Vancouver Lake Rowing Club Scholarship Application

VLRC is committed to making rowing available for all youth regardless of income. Available funds vary each year and are limited to a maximum 50% of season and regatta fees. Scholarships will be awarded on a first come-first serve basis, and are valid for one season. Scholarship funds are awarded based on need and the participant's and family's commitment to meet attendance and volunteer requirements. If awarded a scholarship, the following expectations must be met:

1. Participants commit to a minimum of 75% practice attendance, and
2. Participants or parents/guardians commit to 10 hours of volunteer service during the current season

The information provided in this application will be treated confidentially and only used to determine eligibility. Applications are reviewed by an independent third party, not by VLRC staff. Please complete and submit this application prior to the first week of the current season.
