### Giving God Glory for 11 Years of Love

One in the Spirit Christian Church was founded in January 2013. The vision of the church is to go into the entire world and compel men and women to except Jesus Christ as their personal savior. It's our desire to raise up disciples by teaching and preaching the word of God with signs following. It is our endeavor through the guidance of the Holy Spirit to seek out the lost, heal the sick, cast out devils and create a union in families that cannot be broken.

# One Team Outreach

Our God is amazing. The rain stopped long enough for One Team Outreach to hand out gifts of love to the community. Thank you to everyone who came out to spread love, joy and hope to the Lawton-Fort Sill community. If you would like to participate with the One Team Outreach Ministry, speak with Pastor Jesse Marshall.

# GTWO Youth Spring Break

## “Night of Worship”

Spring break was an exciting time for GTWO Youth Ministry as the youth presented a “Night of Worship”. Answering the call, believers gathered to passionately pursue the heart of the father. It was truly a spirit filled night as Pastor Cletis Reaves, Hope Christina and Tai “O.N.E.” Williams joined us in worship. Our very own Katie Hill sang a solo selection, with Minister Latonia Seaton opening in prayer and Shania Mack welcoming everyone. As this year’s only graduating high school senior, Shekinah Weary, shared a God given message on purity. If you missed it or just want to experience it again [CLICK HERE.](#)

## Men Reunited Fellowship

Led by Pastor Raymond Weary, men throughout the Body of Christ gathered for food, fellowship and fun. Behold, how good and how pleasant it is for brothers to dwell together in unity! It is like precious oil upon the head, that runs down on the beard - even Aaron's beard - and going down to the collar of his garments (Psalms 133:1-2). What a great time for our youth to fellowship with men of God. "It was fun, we got to play games, hang out and got to know each other better," said Joshua Seaton. "I would love to do it again." Stay connected for upcoming events. For more information on the Men's Ministry speak with Pastor Raymond Weary. Men Reunited Fellowship at Abundant Life Counseling for a day of unity

# Guard Their Heart

The greatest gift a parent can give their child is the Word of God. Getting your child in the Bible will allow the Word of God to get in them. Guard your heart above all else, for it determines the course of your life, Proverbs 4:23 (NLT). Our children live in a world filled with technology. Technology that is used to show them many things that can lead them away from God.

Thanks to social media, everyone has a platform -- and with this comes exposure to the immoral, ungodly, and misleading. A study by Barna discovered that Millennials are taking their questions of faith "to the search bar," with nearly six out of 10 practicing Christians (59%) saying they search for spiritual content online. While this isn't always a bad thing, a separate study from Barna found that due to increased connectivity, secular worldviews have "crept into Christians' perspectives" and truth is redefined.
