It's a very simple thing to do all you need to do, is box toothpicking your thumb tackRubber strip of paper to cut a hole in the box on the toptack thumb tack and make a hole on the big holeput tooth pick in the hole and press down put the gum around the toothpick make a hole on the other side and put the gum around that toothpick alsoThen repeat by making a hole with the thumb and put in the toothpick and then put on a rubber band and repeat that then it should look like the picture aboveThen on the sides of the guitar will be your drumsThen there y go.now go and play it This is the things you need : TheGhost.rar - 7-zip - Guitar Hero 3 or Aerosmith .iso file - XP codex package from 2 to 4GB (or more) free disk space For those who do not know , The Ghost comes as .rar compressed file. I know that links are dying, so after a while you may need to just search Google for the .rar file. But for now, get it here or go to the ghost's homepage, as shown on this instructable Intro page. You'll need a 7-zip (which is free) or another program that can unpack .rar files like Winzip to open TheGhost.rar Get 7-zip here. Go to the first or second .exe file and then install it. , .iso. Again, this must be obtained legally!!! You can get the actual .iso file from your own Wii rather than torrents by following the wonderful thundaboy guide here (also on the intro page). After reading his manual, you can extract the actual .iso from an external hard drive or flash drive with the WFBS Manager. Ask him for help with this, not me. The XP-Codec Pack is strictly for the ghost, and is probably the easiest to get. Kodek is a small file stored in C: 'WINDOWS, which allows your computer to play and create music and video files. In this case, we should be able to handle .ogg .wav, and xbadpcm files. Get it here and then install it. Finally, you need a good amount of disk space to run Ghost. It manipulates song packets, reads sections of data, removes video kernels, converts audio, etc., and this requires a lot of time space. After installing the XP-Codec Pack and the .iso file, you can move on. This famous children's song is traditionally used to teach children their ABCs. Play the song below using a simple strumming pattern to try the basic four strum over the bar approach using all the downstrums. If you're having trouble with the G7 chord, the G main chord will replace just fine. Note: If the music below looks poorly formatted, download this PDF of The Alphabet Song, which is properly formatted for print and without advertising. Chords used: C (x32010) F (xx3211) G7 (320001) G (320003) C CA - B - C - D- E - F - GF C G7 CH - I - J - K - LMNO - PC F C G - R - S - T - U - VC F C GW - X - Y и и I know that the time of my ABC'sF C G7 Cnext will not sing with me. The story of Songs of the Alphabet According to Wikipedia, the song was copyrighted in 1835 by the American music publisher Charles Bradley under the title The A.B.C. The melody of the song is based on a theme written by Mozart for his piano variations: Ah, vous dirai-je, maman. You can learn the melody-it's used in a number of other classic children's songs, including: Twinkle, Twinkle Little StarBaa, Baa Black Sheep Getty Images / Eugenio Marongiu When you strip off songs and all other instruments, there are a number of modern country songs that are easy to recognize on guitar. Once you get the hang of it, you'll find that it's easy and fun. Each one has only three or four different chords and you may already know the songs. Rick Diamond/Getty Images There are only three chords to learn in Deanna Carter's Strawberry Wine, so it's an easy song to learn. The song is modern, but it has that classic country style. It's a simple melody, and the lyrics are nostalgic for the past. In fact, that's all that makes a country song great, so it's perfect for beginner guitars. Debra L Rothenberg/Getty Images Tim McGraw has many great songs for guitar pickers of all levels. Few, however, are as simple as Everywhere. The song has a slow pace, but good changes on the chorus. In addition, you will only need to learn three chords to pull it out. The lyrics follow a story of lost love and what might have been, so this is another country classic. Ethan Miller/Getty Images It's

nostalgia, but this song isn't about a woman. No, Alan Jackson's Love Drive is a plywood boat, then a half-ton Ford, then a jeep. This song has a fantastic, upbeat tempo that makes you go and the plot is fantastic. While it may seem complicated when you listen to Jackson sing, the guitar part is still three ditty chords. You should have no problem learning this. The memorable tune of 1991, most likely, you already know the Meeting in the middle of Diamond Rio. This, along with only three chords, makes this the perfect song to learn quickly. This song is all about compromise, a couple who meets in the middle from childhood through married life. It's a wonderful life lesson and you can even use it to serenade your sweetheart without getting too sentimental. Jason Kempin/Getty Images This song may have a hard sound, but the guitar chords are surprisingly simple. You only have to learn four chords for Heavy Liftin Blake Shelton. The hardest part of this song is that it moves fast, so limber up your fingers. The lyrics speak of a man who is tough but not too hard to love a woman who has gone through a lot in life. Dia Dipasupil/Getty Images Aside from her voice, the guitar in Martina McBride's My Child Loves Me is Part. It's right in front, keeping the pace, and it's never lost in the background. Also, there is a fabulous bridge you really dig to play. The best part about this guitar at the heart of the song since 1993: you only have to know four chords to make it great. It's fast, it's fun, and it definitely should be on each country's guitar list. Michael Caulfield Archive/Getty Images Carolyn Don Johnson Complicated is a great love song and soft melody. The guitar part follows the soft lyrics, although there is a good growth of pace on the chorus for you to play. This is another three chord wonder that shouldn't take time at all to learn. The hardest part is that the song is not as well known as the others. However, it's simple enough and has a classic country tune, so you get its essence after just a couple of times listening to it. A tale of perseverance by John Michael Montgomery Life's a Dance is a modern classic in country music. It also has only three chords and the chorus is repeated so often that it makes up most of the song. This makes it even easier to learn. You'll really enjoy exploring this slow swinging song with a steady beat. It's also so familiar that you don't have to have a lot of trouble keeping up with the tempo or chord changes. A hit from an early part of George Strait's career, Check Yes or No was released in 1996. It's as great today as it was then. This love song is a toe-tapper, and it's one that every country music fan knows. This makes it even faster to learn, and the fact that it's just four simple chords is a bonus. Rick Diamond/Getty Images Slip back in 1985 with the hit mother-daughter duo known as Judds. Have Mercy is a delight to play and sing, and another eternal gem from the days of a truly great country. It may also surprise you that the guitar part requires only three chords. There are also some little riffs that you can put your own spin on, especially during what is usually a piano solo. Quốc Bảo/Pexels If you're new to guitar, you're probably anxious to learn some songs. Focus on the ten simplest songs you can learn to play guitar. While you can play any of these songs on any guitar, this list was chosen with an acoustic guitar in mind. This Tom Petty classic is a good place to start as you only need to move a couple of fingers around to play the whole song. Although Free Fallin is played with capo, you can safely play this song without it. If you can play G major, C basic and D major chords, you have all the tools you need to tackle this John Denver classic. While the opening acoustic guitar solo is probably too hard to tackle right away, exploring the basic riff of this Pink Floyd song should be Simple. This America song was at one point a song that almost everyone knew how to play - including people didn't know how to play the guitar. This song is about as simple as it gets. You may know the original version of this Bob Dylan song or the cover of Guns n' Roses. Both versions are easy to play. A few simple chords are all you need to strum along with that. This Oasis song uses a few simple chords. Strum can be a problem, but you should be able to learn it pretty quickly. If you know this very old folk song, you probably know the recording of animals, which has some slightly more advanced collection. The chords, however, are fairly simple, although they include a F main chord. The chords for this Eric Clapton song are simple, and they change slowly. Once you have mastered the chords, you can even try playing the guitar part of this song. This is a good and easy Van Morrison song that you should be able to learn the chords quickly. Once you get the hang of the chords, you can tackle the signature opening guitar riff. This legendary tune from Neil Young's 1972 classic album Harvest is easy to play guitar, but sounds great. The heart of gold mixes chords with a very simple picture of a note.
