The Immigration Department or visa-issuing authority of KSA has a Pre-defined list of positions or has a controlled data considered for the block visa. As a result, the issued visa shows a different title than the actual position.

Given the discrepancy on visa usage, we undertake that:

1. The visa usage will not affect or change the actual position of the workers who are aware of the visa discrepancy situation and have executed a statement on such awareness;

2. The actual position shall prevail at all times and in case of labor dispute;

3. The terms and conditions of employment approved by POEA shall be strictly enforced regardless of visa category used;

4. The employer and agency will assume joint responsibility for any problem that may arise due to the discrepancy in visa.
