SALT's seasonal menu is made from prime ingredients fresh with a must and garden, as well as pet pasta, freshly baked breads, and prime slices of meat I attended a daily conference in Wentworth by the Sea, and had a nice lunch at Salt! It was my first time in a hotel, and that was just wonderful. Stunning! I was happy for a quiet lunch. I had a delicious crop salad, warm grilled chicken breast, sheep vinaigrette, dried figs, walnuts, gorgonzola and roasted pear with soft cheese. It tasted so much and was beautifully presented. The service was extensive, but not extensive. The bread was also a njam..... I only tasted bread from the bread, and it was wonderful..... clear homemade! I can't wait to get back to dinner! Dinner!
