The principles of the gods for financial growth God wants you to prosper, so that you can a source of positive influence, an influence from the kingdom of God to help other people. When you want to prosper financially you need to know what the Bible says financially. There are different rules, do not use volleyball rules for table tennis. 3John 1:2 says Beloved wish above all the things you may be in health and thrive, even as your soul thrives He looks at different areas of our lives. So when you are dealing with financial prosperity you have to look at the scriptures that deal with financial prosperity and understand them and know how to work in them for financial growth. 2 Corinthians 9:6-8 says But this he says, which soweth with moderation will also reap with moderation and the one who rich soweth will also reap the rich. 7 - Every man according to him scoph in his heart, so give it; not with shamelessness, or necessity: for God's loveth a cheerful giver. — 8 – And God is able to do all grace abounds toward you; that you, always having all the sufficiency in all things, can abound at every good work: - This is the place of our inheritance, this is the place where God wants to live in. There are people who hardly get moderation, which means that others give to you a little and when they give to you they hardly give. I'll give you a little and complain when I do. God has pleasure in a joyful and prompt to make it a giver whose heart is in his gift. When he gives to God he is delighted with what he gives. The Bible says that God enjoys that person, he prices that person above other things. He did not say above other people, but above other things, which means that no matter what God does, he is ready to leave everything else and take care of you. And then he says that God doesn't want to abandon that person or manage without him. Why it is important that you should prosper Prosperity is the right birth, you deserve to have a good and healthy life. They complained that they didn't have a healthy life, they're sick people. When you complain, it causes disease in you. Rejoice in the day you live, don't want days that have passed because they will never come again. It's your time, to be excited about life, to have hopes

for tomorrow, not to let yourself be tied to yesterday's problems. Therefore, program yourself today for a prosperous future. Be excited about today. Today's problems are not for you to cry or worry about, but for you to create a change, to have an impact on your world, to stand up and say they can make a difference. Ecclesiastes 7:12 For wisdom is a defense, and money is a defense: but the excellence of knowledge that wisdom gives life to those who have it. Wisdom gives life, money doesn't give life. If you have money you're unlikely to frustrate people. Because money talk, you need money, a man cant do a lot. Money is a spirit, they make money come to you or it makes them run away from it. Money runs away from people who don't treat him well. For example, people who extort money don't have much. Dont mistreat money, treat right, speak right about it with the language that God gives and it will come to you in abundance. Ecclesiastes 9:14-16 There was once a small town with only a few men in it, and a powerful king came against it, surrounded it, and built huge siege works against it. 15 Now in that city lived a poor but wise man, and he saved the city by his wisdom. But no one remembered the poor man. (A) 16 So I said, Wisdom is better than power. But the poor man's wisdom is despised, and his words are no longer awed. That's why you should refuse to be poor. The poor man's wisdom has been despised and his words are no longer immediate.
