Serena song - rescue pirate hostages by distracting enemies from dancers. 2.7. Reading up! - Craft Hunter outfit. 2.8. Wild West Indies - Kill 4 enemies in a row with a few pistols. Asylum Raider Unlock a secret door in Tulum. To unlock the secret door in Tulum, you have to solve all 16 Mayan Stelae puzzles. The first puzzle is part of the DNA sequence 4, memory 1 and cannot be missed. After the end of this memory, other steles will become available. Some of them are on islands of dangerous ocean zones, so you have to get your ship upgraded and continue the story to make all places accessible. You can also see the stele locations on the map if you synchronize the points of view of their respective area. To check which ones you've found, open the progress tracker and select the Mayan Stelae tab. It provides an overview of the islands that contain these secret puzzles. Once all 16 puzzles have been solved, you need to go to Tulum. There will be a marker on the map saying: Maya Outfit. Go there and open the door to unlock the Raider Trophy/Achievement Hide, along with this new and unique outfit. The Mayan costume deflects bullets from enemies by shooting at you! Here are the exact coordinates for each stele: #1 - Great Inagua (acquired during DNA 4, Memory 1) #2 - Cat Island (Coordinates: 734, 694) #3 - Matanzas (Coordinates: 343, 642) #4 - Cape Bonavitas (Coordinates: 179, 593) #5 - Tulum (Coordinates: 70, 405) #6 - Pinos Isle (Coordinates: 334, 476) #7 - Pinos Isle (Coordinates: 342, 478) #8 - Tortuga (Coordinates: 876, 377) #9 - Long Bay (Coordinates: 525, 253) #10 - Isla Providencia (Coordinates: 502, 44) #11 - Isla Providencia (Coordinates: 502, 44) #12 - New Bone (Coordinates: 431, 116) #13 - Mysterios (Coordinates: 303, 199) #14 #11 <0> - Mysteriosa (Coordinates: 296, 196) #15 - Santanillas (Coordinates: 217, 245) #16 - Santanillas (Coordinates: 221, 242) Unlock the secret door to Tulum (Coordinates: 70, 405) Barfly Unlock all Taverns. There are a total of 8 taverns that need to be unlocked. You just go up to the bartender, watch a short scene and beat the bandits. You can see the taverns on the map if you sync the viewpoints for the relevant area. The location of the tavern and their coordinates are as follows: #1 - Andreas Island (573,720) #2 - Salt Key Bank (496, 629) #3 - Crooked Island (808, 545) #4 - Arroyos (192, 565) #5 - Korosal (37, 266) #6 - Grand Cayman (392, 325) #7 (623, 172) #8 - Ile and Vache (839, 137) Excavator Find buried treasure. To find the buried treasure, you must first get a treasure map. One of these maps is easy to find on Mariguana Island, at coordinates 878, 539. Go pick it up and you will be shown the image and coordinates of the treasure. This treasure can be found on Andreas Island, at coordinates 575, 717. To unlock the location of other treasure maps, you can talk to tavern bartenders or just explore the world and synchronize perspectives. A hangover wakes up in a haystack. To get this trophy/achievement you need to keep drinking in the tavern until you are on the sidelines. The tavern is located in Nassau. This is one of the first places you will visit during the main story. Match to the bar and interact with the bottle to start drinking. You should drink at least 5 times to the side. Silence, fool! Kill the guard by ringing the bell. This can be done wherever the warehouse is located. Warehouses are located on farms and have a limited area around them (shown in red on the world map). They will be marked on the map if the viewpoints are synchronized. You can find in Nassau, at coordinates: 633, 784. Once you enter the exclusion zone, you should see the alarm on your HUD. Get noticed by the enemy and wait for him to ring the bell. Fast kill him with a melee attack when he starts ringing the bell to unlock this trophy/achievement. You can also do this in warehouses that have already been looted. After a while, the enemies will be back in time. Owns Complete every action in one place. A great place to do this is an island called Florida at coordinates 409 815. When you scroll through the island on the world map, you can see what activities it has to offer. These are usually just some collectibles and perspectives. Fortunately, there are very few of them in Florida. Synchronize the point of view, collect two fragments of animus, open the treasure chest, and pick up a bottle message to unlock this trophy/achievement. Убийца-убийца Гарпун козатки. Killer whales can be found in an ocean part called Cruz. First, you have to capture the fort of this area to see the orca symbol on the map. Fishing spots can vary, so check the map. Also upgrade your vehicle's harpooning statistics by upgrading harpoon strength and harpoon storage. Fishing locations are highlighted by the ocean when you get close. Interact with one of these places to start fishing. Protect your boat and keep throwing harpoons at the whale until it dies. Siren Song Rescue Pirate Hostages, distracting enemies with dancers. To do this, you must let some of your team members die. Just sit on an enemy ship and sit back while Your crew is doing the fighting. Many will die. Then head to Kingston and head to coordinates 623 172. There is a no-go zone where two enemies seek to Pirates. You can hire dancers nearby, right on the street. Send the dancers to these two enemies and as soon as they are distracted by sneak behind their backs and free the pirates. If this event does not appear (despite the fact that lost a lot of its own crew), then quickly travel to another island and return later. Reading up! Create a Hunter outfit. Creating hunter's clothes will cost you 11.000R. Go to any general store and buy red monkey skin (5000R) and white jaguar skin (6000R). Now open the craft menu, scroll to the bottom and choose to create this outfit. If you don't want to spend so much money, you can back up your save game before doing so (like on a USB stick) and copy it back after that. Wild West Indies kills 4 enemies in a row with multiple pistols. First, craft all the gun holsters. You can buy the necessary craft products from any general store if necessary. So you don't have to hunt down the animals on your own. Also buy and equip the gun-barrel gun for one shot kills. All you need now is a group of at least 4 enemies. You can do it almost anywhere. Just approach them with the pistols selected in your gun wheel and click the triangle (PS3) / Y (X360) without aiming manually. Every shot has to kill the enemy and this trophy/achievement is yours.
