Welcome to our new ordinands!

We are pleased to welcome Phillis and Brian, ordinands from Westcott House and Ridley Hall, who will be on placement with us at St Paul's. Phillis and Brian will be required to reflect on their experiences at St Paul's as part of their academic work. The work will be marked and seen only by examiners. All names and identifying details will be changed. If you have concerns about this or would rather that they didn't reflect on any encounter with you, please contact the vicar.

Home Groups

The PCC would like to develop home groups at St Paul's to complement the other small groups that meet during the week. Home groups are places where you can make friends, offer and receive pastoral support, learn and grow in your faith. We are seeking hosts/and or facilitators for the groups i.e. you might be willing to offer your home, but rather not facilitate the meetings. The number of times that you met, and whether there was a mixture of in person and online would be left to the group members to decide. It would also be up to the group to decide on the content of your meetings, although suggestions can be made. Hosts and facilitators will be safely recruited (application form, role description etc.) and given support.

Chat to Imogen if you're interested in joining a group, or maybe even hosting.
