

*We are retained to recruit by  
many of Bermuda's finest  
employers. ABR Re  
is one of them.*

## Corporate Accounting Manager

Our client ABR Reinsurance Ltd. is an innovative and growing independent reinsurer. Through unique long-term arrangements, The Chubb Group is the sole source of reinsurance risks ceded to ABR Re, and BlackRock Financial Management and ICONIQ Capital, LLC are the company's exclusive investment managers. ABR Re underwrites a portion of a broad selection of reinsurance treaties that Chubb places with the traditional reinsurance market, as well as alongside Chubb in certain instances, and invests its assets in a diversified and dynamic alternative investment portfolio managed by BlackRock and ICONIQ. ABR Re is small, nimble, and growing – harnessing the complementary strengths of their strategic partners to drive results on both sides of the balance sheet.

### Key Duties & Responsibilities:

The Corporate Accounting Manager will manage corporate accounting, financial reporting, financial controls, and treasury activities for the company with oversight from the Finance Director. Specific responsibilities include:

- Managing the financial statement close process and producing timely, accurate internal management and financial reports
- Ensuring quality of reporting from accounting administrators and maintaining day-to-day oversight of their activities
- Producing quarterly and annual statutory and regulatory reporting and supporting financial planning and analysis activities
- Managing the corporate accounting elements of the annual external audit process
- Monitoring and maintaining appropriate cash positions across the company's bank accounts
- Preparing quarterly and annual capital modeling and stress testing
- Contributing to development and enhancement of corporate accounting processes, controls, and related documentation
- Managing payment of general and administrative expenses
- Additional projects or responsibilities as may be required

### Minimum Qualifications, Skills & Experience:

- Internationally recognized accounting designation (CA, CPA, ACA, ACCA, or equivalent)
- 5 years of relevant experience with at least 3 years post-qualification experience obtained in P&C (re)insurance accounting or external audit focusing on P&C (re)insurance
- Strong U.S. GAAP and (re)insurance accounting, reporting, and financial controls expertise
- Knowledge of corporate finance, consolidation, reinsurance policy flow, and Bermuda regulatory reporting requirements
- Demonstrable experience understanding, analyzing, and researching complex accounting topics
- Advanced Microsoft Excel skills, including experience developing and implementing Excel automation solutions such as macros
- Excellent analytical, organizational, oral and written communication, and interpersonal skills
- Strong work ethic, with a high attention to detail and demonstrated ability to multi-task independently, meet and adapt to variable deadlines, and take initiative
- Desire to learn and grow professionally, and to contribute beyond the role requirements above, in an energetic and entrepreneurial small team environment
