2023 workshops

Why Creativity?

M.Y.O is London's favourite place to get creative through arts & crafts. We've helped 10,000s people get creative and worked with some of the world's biggest brands.

We're here to help you and your team tap into their creative side.

Increasingly important in a remote world, getting creative has been proven to be great for mental wellbeing, building connections and bonding.

It also improves creative confidence - one of the key leadership business skills of the future.

Not to mention that it's an enjoyable, inclusive and interactive thing to do!

How It Works in the studio

Contact us and let us know which workshops you're interested in, how many guests, budget, dates & times

We'll check if those dates and times are free and provide you with a quote.

Book in the workshop with £210 deposit (if in the studio) or 50% of the total quote if offsite.

The whole team has a fun time and bond over their creations and creativity!

Make something AMAZING!

Feel free to organise drinks & snacks. We have a mini kitchen at the studio. Plus speakers to play music!

A week before, we'll ask you to confirm the number of guests attending
