You can only log in with your account name, not your email! You can't connect? Reason: wrong realmist.wtf file. Even if you edit the file yourself, you can add invisible space by mistake. Solution: Download realmist.wtf, a link to which can be found in Step 2 and insert it where realmist.wtf should be. Reason: You have to come in with (account name) and not email address! If you still can't connect, email us on our Facebook: edeneternaltest #1 Message edeneternaltest 29 29 2015 10:32 I only have a small space in my drive right now. I would like to ask if the version of WoTLK 3.3.5 (16gb) in the link download TrueWoW is already a full customer (download and play) or is it 16gb in download, but will download some files for the optimal game (16gb-gt; 25gb)? So I can highlight the space in my drive. Thanks dallas #2 Message from dallas 29 January 2015 10:46 It's ready to play, the only thing you need is a few addons (in case you use them).
