WRITE Explain why the acute angles in an isosceles real triangle always measure  $45^\circ$ . Monitoring progress and modelling with mathematics content in exercises 3–6, find the value of  $x$ . Write your answer 12.  $x$  in simplest form. (See Example 1.) By the Triangle Sum Statement (Statement 5.1), 3. 4. 45 the measure of the third angle should be  $45^\circ$ . So, the triangle is a  $45^\circ$ - $45^\circ$ - $90^\circ$  triangle. Bookmarks 5/2 V5 45 5/2 hypotension = bone • bone •  $V2 = 5V2$  So, the length of the hypotension is  $5\sqrt{2}$  units. 5. 6.  $3/2$  45 Notes In Exercises 13 and 14, sketch the figure described. Find the indicated length. Round decimal answers to the nearest tenth. In Exercises 7–10, find the values of  $x$  and  $y$ . Write your answers in simplest form. (See Example 2.) 13. The side length of an equilibrium triangle is 5 centimeters. Find the length of a height. Highs 7. 8.  $3\sqrt{3}$  Y 14. The perimeter of a square is 36 inches. Find the length of a diagonal. 30 Y 60 In Exercises 15 and 16, find the area of the figure. Round 9. 10. 123 decimal answers to the nearest tide. (See Example 3.) 60 24 30 15. 16. 5 m Bb 3 v i 4:01 «||| Bill fullscreen Edward B. Burger, Juli... Chard, Edward B. Burger, ... Chard, Earlene J. Hall, ... Chard, Earlene J. Hall, ... 1st Edition Data updated at: 11/30/2020 1:20:10 PM The North Vancouver School District — the natural place to learn — provides world-class instruction and a rich diversity of engaging programs to inspire success for each student. We offer a wide range of programmes and services, including our commitment to supporting the history, culture and traditions of our First Nations communities, outdoor learning and a variety of pathways to engage all learners. Bringing communities together to learn, share and grow, the North Vancouver School district values sustainability, inclusivity, accountability, creativity and collaboration and makes it the natural place to work. Our 25 primary and 7 secondary schools, 2650 staff and 16,000 students a safe and nurturing environment based on trust, respect, responsibility and and Are you a positive and motivated individual who wants to learn, share and grow? Then North Vancouver School District is the place to start or continue your career. In every classroom and in every Family of Schools, we acknowledge it takes a community to make a difference in the life of each student. From our support staff, to our teachers and administrators, to our management team – we appreciate the contribution of each staff member to help our students learn, share and grow! Forward thinking in its pursuit of innovative practice, North Vancouver School District is a provincial leader in curriculum development, including programs such as Literacy 44, Mathematics 44, CR4YR and the NVSD Curriculum Hub. Constant reflection allows us to measure the effectiveness of our practices at all levels and allows us to move forward in a positive and progressive way. A supportive environment allows our staff to learn, share and grow by providing the following. Locally developed and rendered in-service and training Continuous professional development initiatives and provide Comprehensive Information and Resources Employee Wellness Programs Mentoring Program for new teachers Unique to NVSD – TTOC's avalanche full-time seniority for every day they work and transform into ongoing contracts after accumulating one year or 190 days of total seniority Teachers on an ongoing contract typically receives the following : medical, dental, and extensive health plans; group life insurance benefits; teachers or municipal pension plan; extended health benefits for dependants of deceased employees; accidental disability insurance; salary freedom plan benefit; supplementary employment benefits on maternity leave; comprehensive well-being and employee and family assistance programmes. TTOCs are eligible to purchase these benefits until they obtain an ongoing contract allowances for teachers in positions with special responsibilities, such as first aid attendants, athletic coordinators, IB coordinators, counselors, to help teachers, school psychologists, teachers in charge, and department heads can receive a financial allowance of up to \$7,300 annually.
